To dream the impossible dream,
To fight the unbeatable foe,

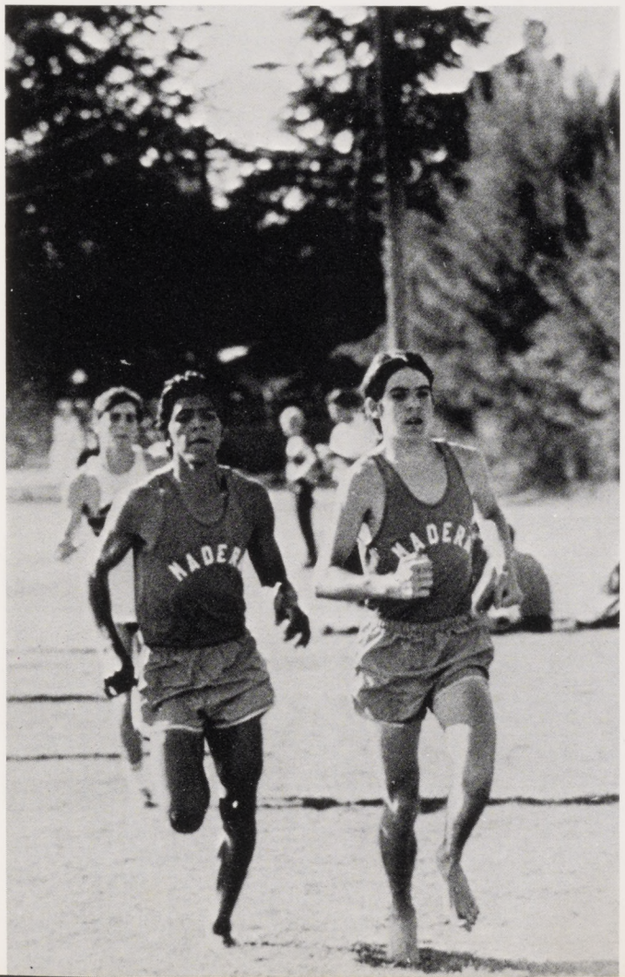

To bear with unbearable sorrow,
To run where the brave dare not go.

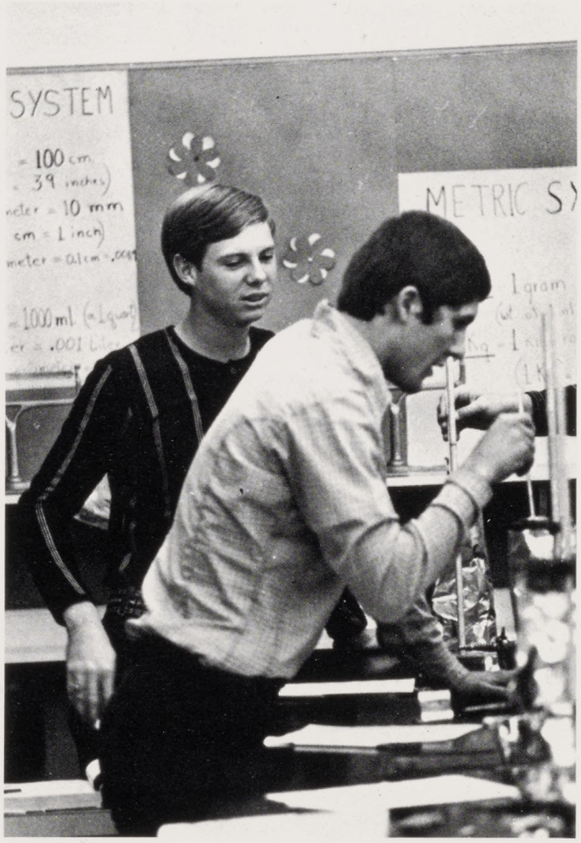

To right the unrightable wrong,
To love pure and chaste from afar,
To try when your arms are too weary,
To reach the unreachable star.

This is my quest,
to follow that star,
No matter how hopeless,
no matter how far;

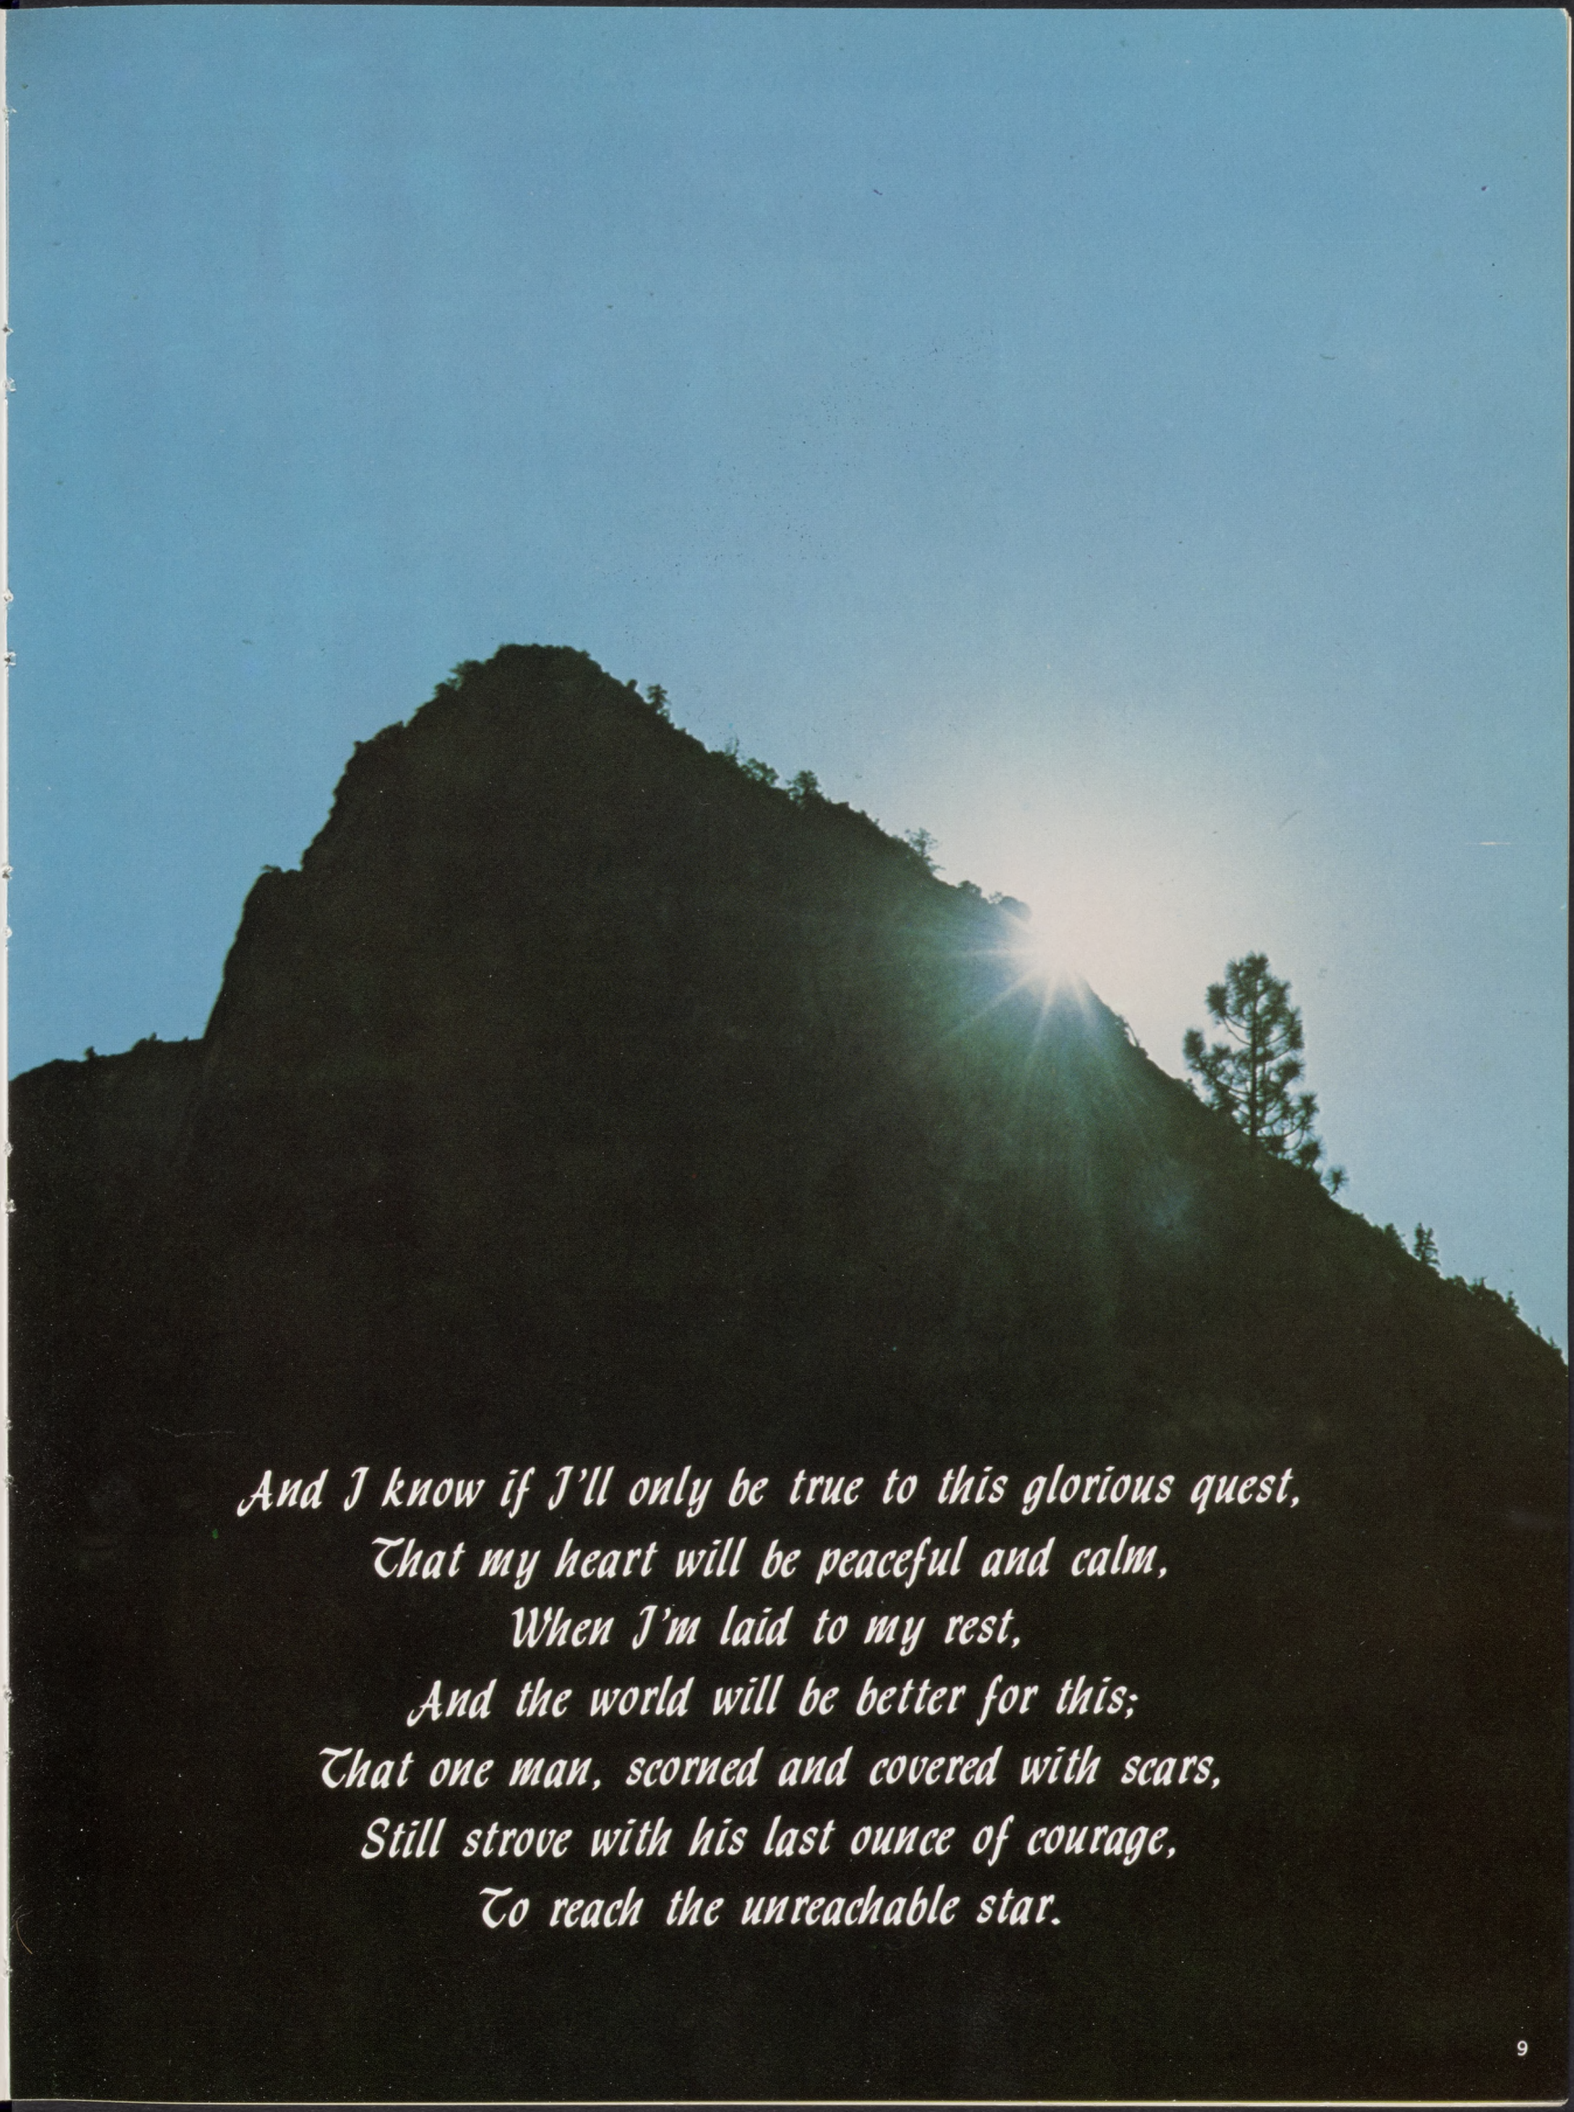

To fight for the right,
without question or pause,
To be willing to march
into hell for a heavenly cause!

And I know if I'll only be true to this glorious quest,
That my heart will be peaceful and calm,
When I'm laid to my rest,
And the world will be better for this;
That one man, scorned and covered with scars,
Still strove with his last ounce of courage,
To reach the unreachable star.

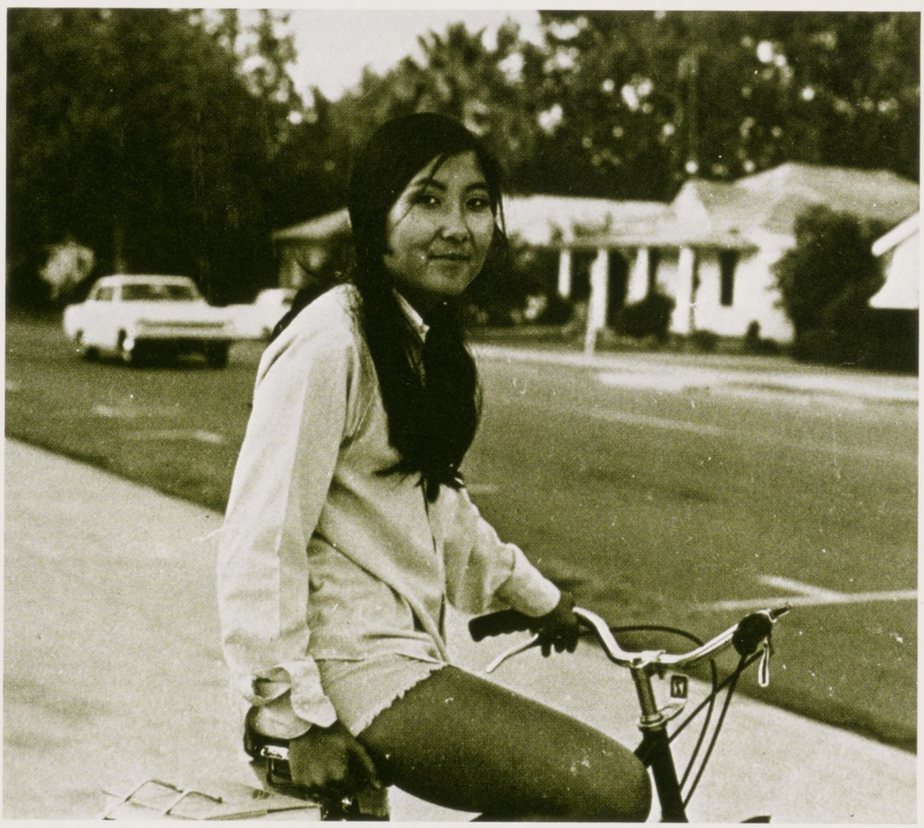

Seniors

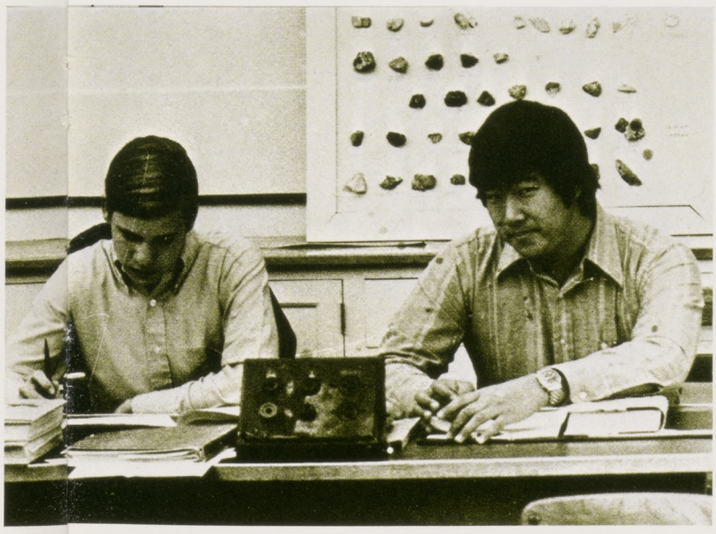

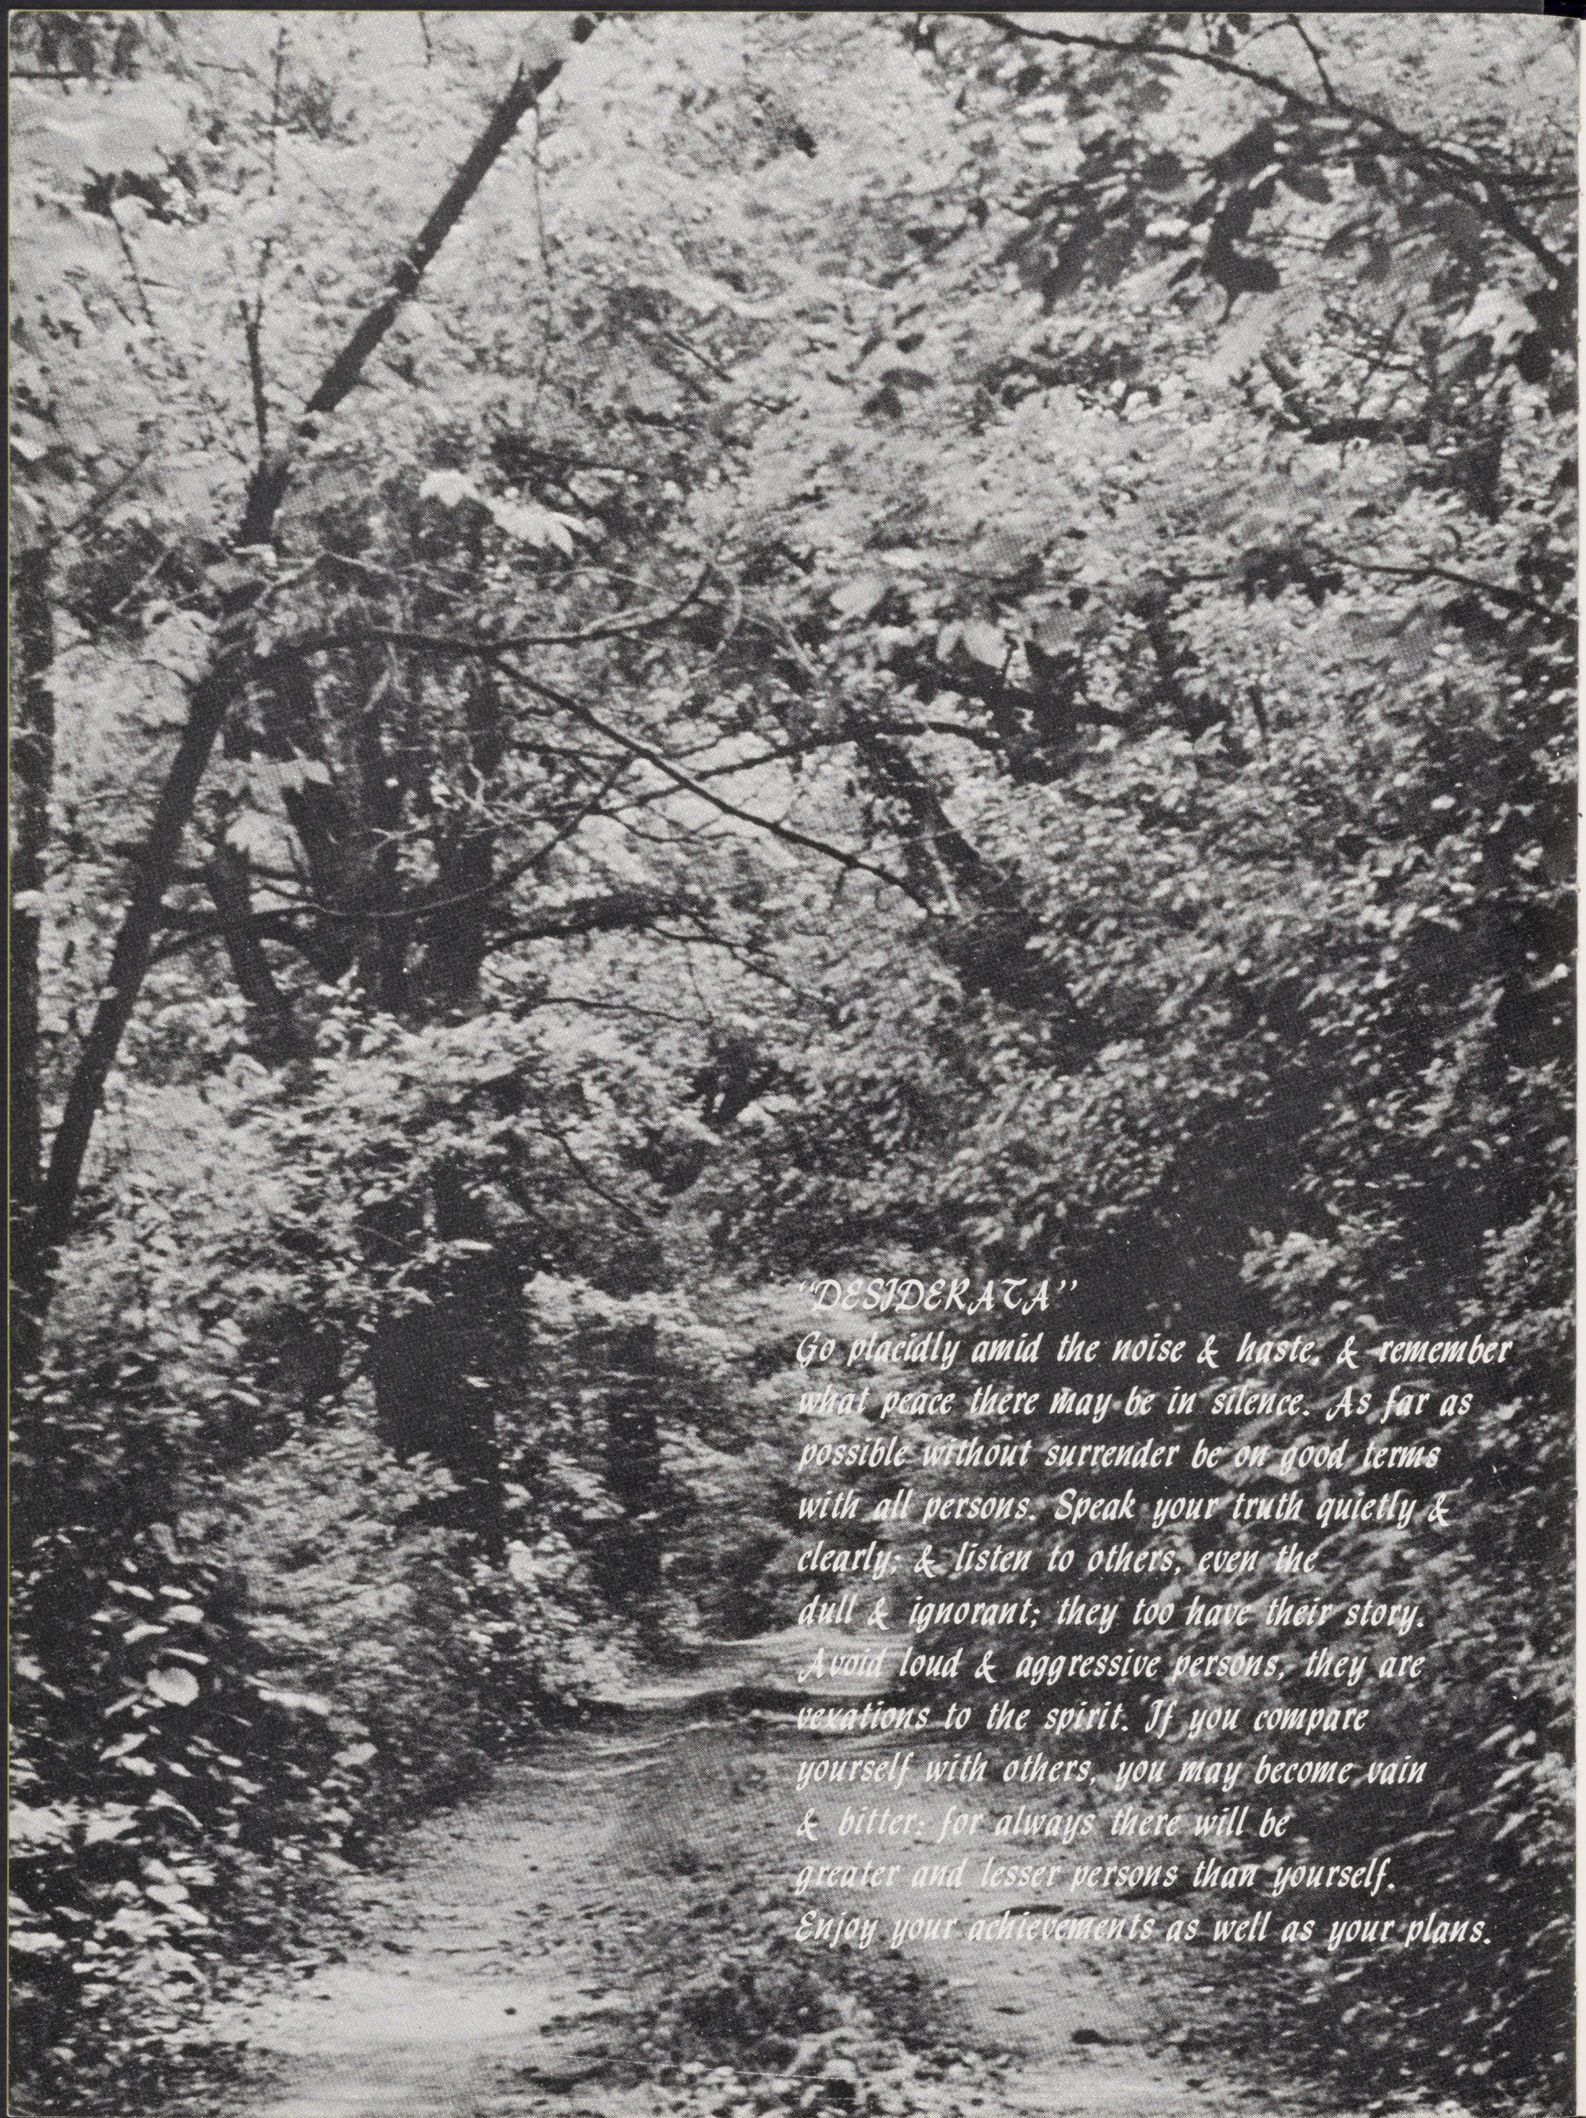

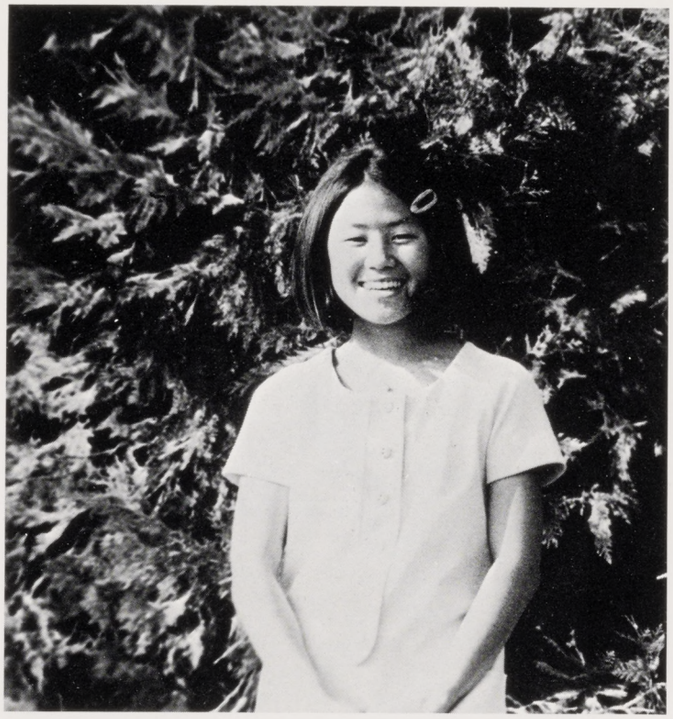

"DESIDERATA"
Go placidly amid the noise & haste, & remember
what peace there may be in silence. As far as
possible without surrender be on good terms
with all persons. Speak your truth quietly &
clearly; & listen to others, even the
dull & ignorant; they too have their story.
Avoid loud & aggressive persons, they are
vexations to the spirit. If you compare
yourself with others, you may become vain
& bitter; for always there will be
greater and lesser persons than yourself.
Enjoy your achievements as well as your plans.

Keep interested in your own career; however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth.
Nuture strength of spirit to shield you in sudden misfortune. But do not distress yourself

with imaginings. Many fears are born of fatigue & lonliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees & the stars; you have a right to be here.
And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

1972 Spring Semester Officers

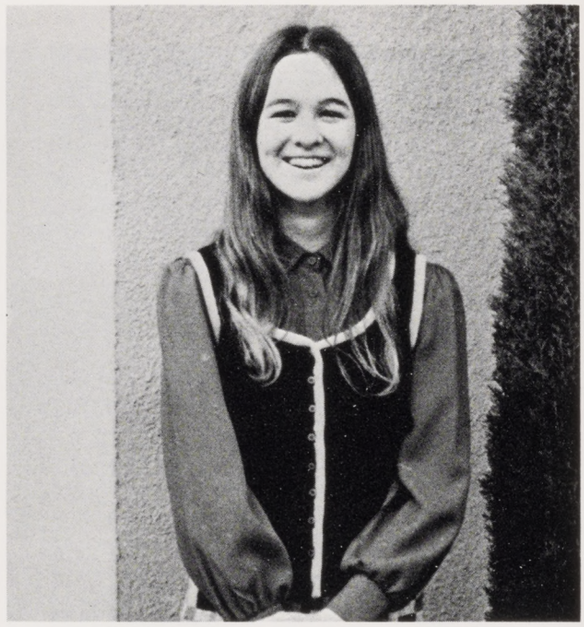

Being Spring Senior Class President has to be one of the most enlightening experiences I have had at Madera High. At times, things seemed to be hopeless, but as usual the fears and worries were somehow overcome by success.

The main function for the Spring President is to help organize Graduation and the Senior Party. It is an awesome task but with the help of the class all went smoothly.

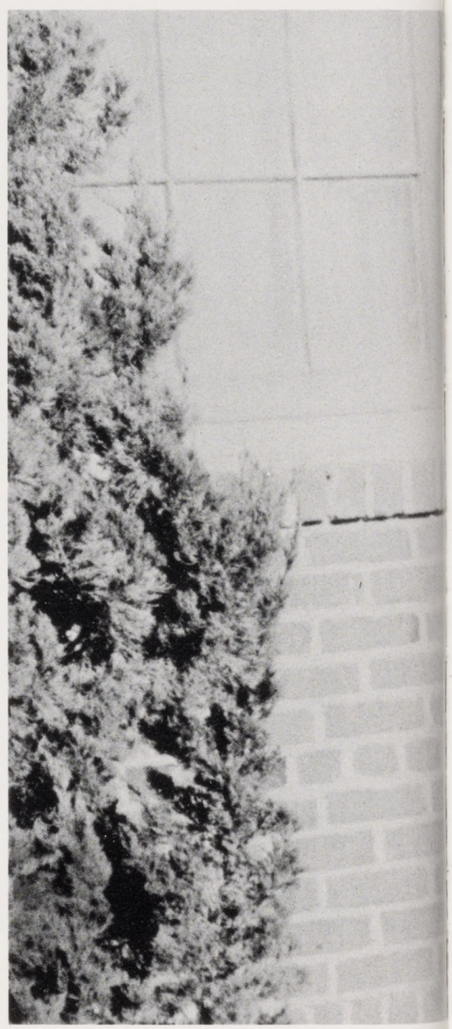

I would like to take time to thank our Class advisors for their help and worthy advice. It was deeply appreciated.

Joan Ferrarese
President

Cindy Netherton - Vice President

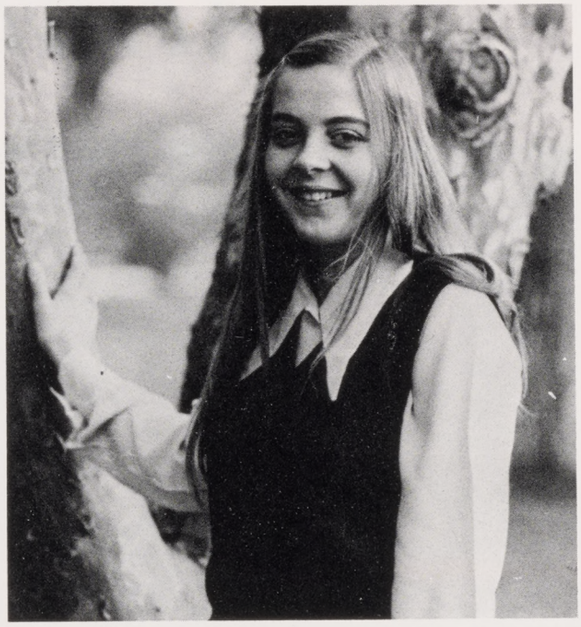

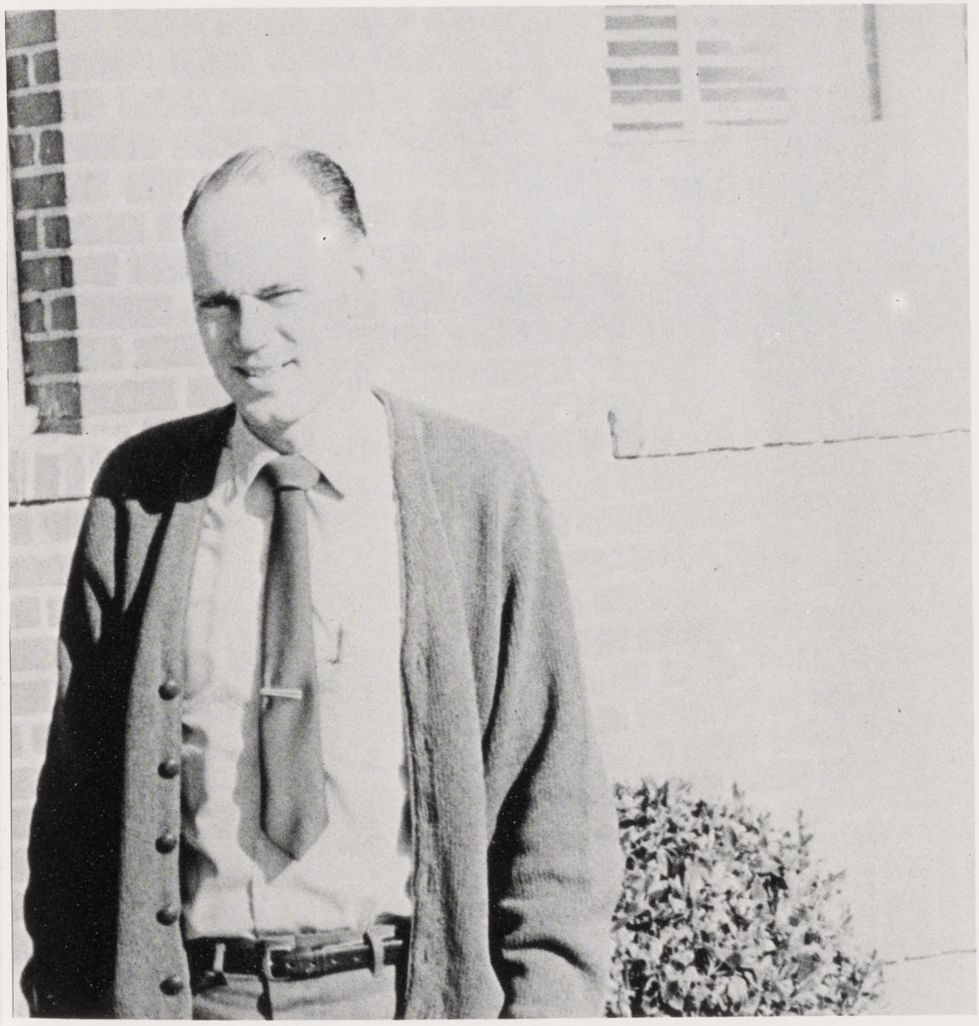

Geri McCarty - Treasurer

Lezlie Row - Secretary

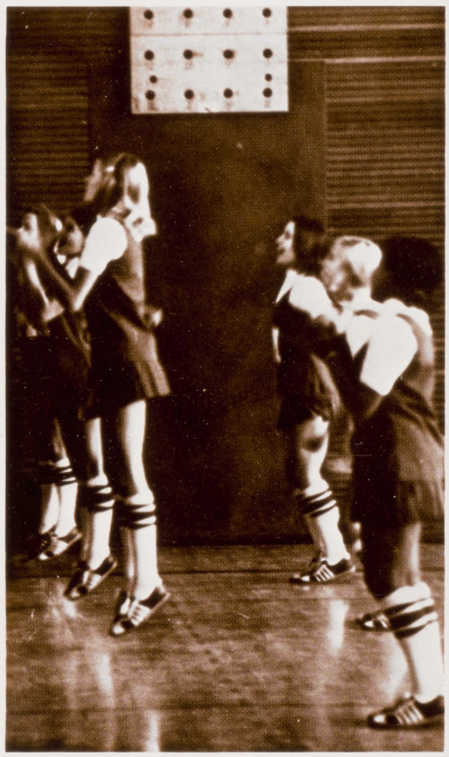

Mr. Dewey - Class Advisor

The Associated Teachers of Madera Students is an organization formed to acquaint students with the teaching profession. This club helps students decide whether or not ot pursue the profession of teaching. If so, the students are encouraged to enter the program of teacher education in college or university.

Membership of this organization is limited to seniors upon the recommendation of their counselors and a teacher sponsored committee.

The activities of the ATOMS include guest speakers, money making projects, a look at the pre-teaching class at Fresno State, and the annual Spring visitation of the elementary schools.

The Future Business Leaders of America is the National organization for all young adults in high school and post-secondary institutions enrolled in business programs. The organization, composed of over 4,500 high school and post-secondary chapters, operates as an integral part of the school program under the guidance of business teachers, state supervisors, school administrators, and businessmen.

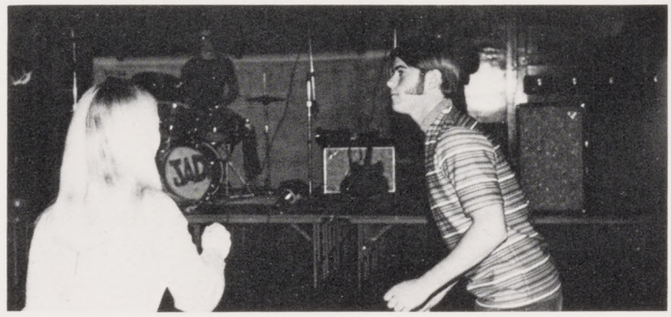

The activities of the Future Business Leaders of America provide an opportunity for business students to prepare for business and office occupations. This year's Madera Highs FBLA Club went on several field trips to various places such as Duncan Ceramics Factory, Fresno State College. Our next trip will take us to Fresno City College, and 4 C's College.

FBLA also serves as an effective means of bringing the interest of students together to deal with vocational preparation, national problems, community improvement, and worthwhile relationships with local, state, and national groups interested in the welfare of youth.

Mexican-American Club

The Mexican-American Club of Madera High School serves several functions for its members.

In our cultural activities we celebrate some of the Mexican festivities such as "el Cinco the Mayo" which has been proclaimed in California as "Mexican-American Week". We also try to provide our members with films and performances by Mexican-American groups.

The social activities include special school dances that the club offers and informal get-togethers.

Educationally, Mexican-American Club provides information to its members about scholarships and financial aids and hosts representatives from colleges and universities.

Service wise, the club helps somewhat in tutoring other students and helping with out-of-school activities whenever they are asked.

A.F.S.

Hava lookela . . .

The AFS club provides direct contact between students of different countries in hope of fostering better understanding between cultures. This year the Madera AFS club brought a Vietamese girl Thuy Nguyen to Madera High for a week. She talked to many classes, visited the winery and bottling plant with the club, and gave a talk to interested parents and students one evening. The Club is trying to find a family to host a foreign student for a whole year so the entire student body of the high school will benefit by getting to know a foreign student personally. The club has been raising money to help pay transportation costs to America for the student in the event that we are lucky enough to find a family for a student. If no family is found, no Madera student will be able to take part in the AFS program for Americans studying abroad. The high school AFS is affiliated with the adult national AFS program.

Afro-American Club

This year the Afro-American club sponsored two community symposiums and an Adult Evening School course in Black Culture in addition to hearing several speakers on the subject at its regular meetings.

Several dances, a bake sale, and a second place winning homecoming float were also accomplished. A scholarship fund was raised and awarded to applying Black seniors. An Afro dance group was instructed and directed by Janet Taylor for participation in the International Week Assembly and a Soul Food concession was set up during that week.

Block M

The Block M Society of Madera High School is an exclusive club open only to young men who have earned a varsity athletic letter. Block M's function is primarly that of a service unit. It's duties encompass a wide variety of activities. The two major activities that Block M conducts each year are Homecoming Week and the food and toy drive for the needy at Christmas. Other services performed include supervising and ushering at athletic contests and their annual membership drive.

Block M Society is made up of outstanding, well-rounded student-athletes who have a desire to serve their school and community.

French Club

The French Club is designed for students of French descent and students who are or have been enrolled in a French class. We meet twice a month, once during the activity period and once during the lunch hour.

This year for the first time the French Club had a Christmas party. We served a French dinner prepared by some of the members. The party was held in the home of a member. After dinner was served we went caroling around town in the back of a pick-up, singing French Christmas carols.

Other activities for this year included a Mardi Gras which is a French day during International Week and the selling of all occasion cards by the members.

Christmas Ball

Above: Everybody is Everything
Left: Mark and Carol under the Mistletoe

For the first time in recent years Girls' League had the opportunity to sponsor the annual Christmas formal. The theme for the Ball was "The Littlest Angel", and the girls along with a few brave boys were able to transform the gym into something resembling a portion of heaven.

Although no small angels were noticed entering the dance, one good-sized Santa did come to spread warmth and goodcheer. Perhaps, there were some who didn't need any more of either, but, then, what is Christmas without Santa Claus. About 125 couples had what Girls' League hopes was an enjoyable evening and a good start to their vacation.

Above: There really is a Santa Claus!

This year the participants in what used to be the Christmas Assembly decided to have a Christmas Program. The idea of the program was to let only the students who wanted to see the program see it. Unfortunatly the idea didn't work too well. Many of the students who wanted to see the program didn't get tickets and many of the students who got tickets abused the privilege to see the program.

The talent in the program was quite varied. The program included the Madera High School Dance Band, ACappella, majorettes, letter girls, and flag team. Roger Foronda, Cheryl Haynes, Betty Gotelli, and Larry Ortiz also performed. The talent was good - it's just too bad that only half of the student body was able to see this year's "Christmas Program".

Maderan Staff

Above: Married? Who me?

Above: Another sports page in the circular file.

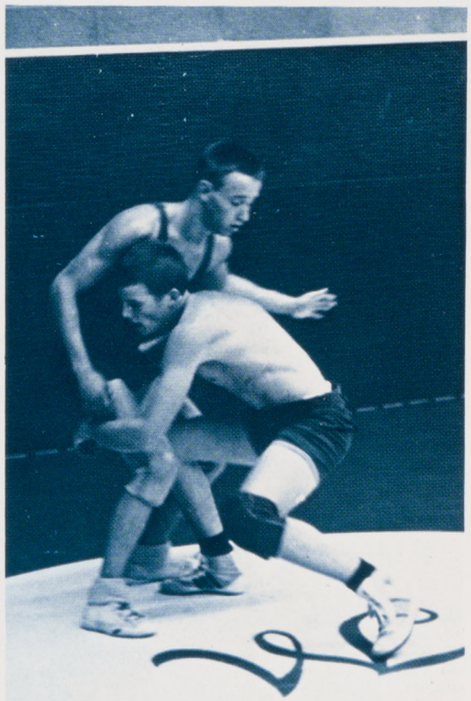

Above: Karen and Belle review press conference with Dennis Weaver.

Two years ago the nucleus of this year's MADERAN staff was formed. I recall them as a motley crew of cookie-munching freshmen whom, I thought, would never know the difference between a lead and a cutline, a dummy and a deadline, and a headline sheet and a galley proof . . . and, indeed, some have justified my worst suspicions.

Seemingly, this year the MADERAN staff had one major obstacle to overcome — the BLUE & WHITE women. It was a never ending struggle to see which group of females could dominate the photographers long enough to get their respective photographs taken. But when all was said and done, they produced a newspaper that typified the ideals of scholarly writing and lively entertainment.

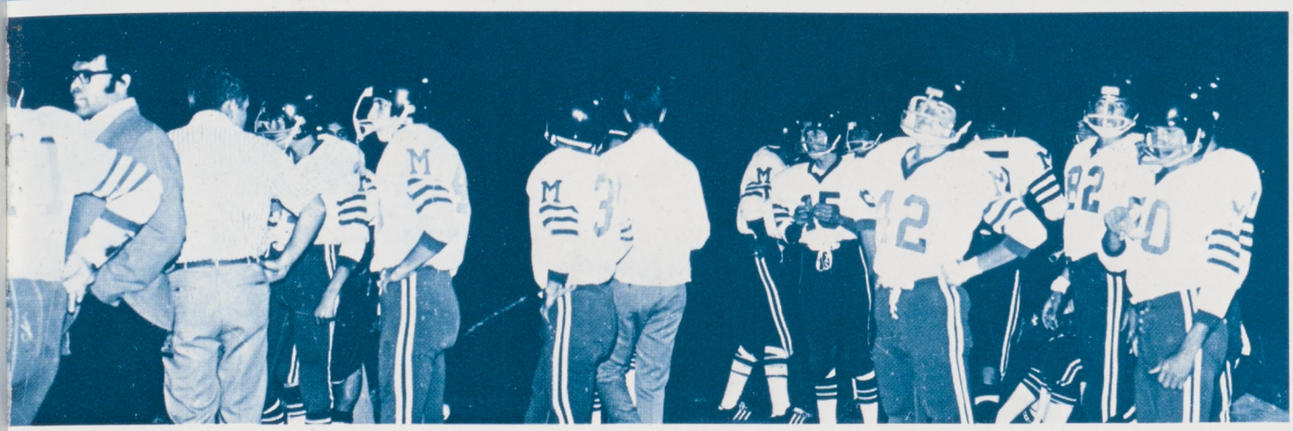

Ken Montgomery
MADERAN Advisor

Pride Drives Coyote Varsity Forward

If the 1971 Coyote football team had to be described in a few words, it could be said that it was a team of pride and courage. It is not easy for a young man to be a member of a losing team and still put out 100% effort. But the Coyotes did just that. Many times they were down, but they always battled back.

In late August, over 50 boys reported for pre-season practice. There were only 32 players suited up for the last game. The Coyotes lost six starters due to injuries and also lost some boys who did not want to pay the price to be a member of the ball club.

Quitting comes easy for many people. Many do not want to pay the price to be a winner. Those who stay will be champions not only on the football field but in life itself. As for the boys who dropped out because the going was too tough, who can remember their names?

The 1971 Coyotes were primarily an underclassman team. The senior players provided the leadership necessary to help the many young players become adjusted to the varsity level of competition.

Three members of the ball club were selected to the All-NYL Team. Senior linebacker Cortez Robinson, senior guard Ron Medllin, and junior defensive back Ken Jones made the second team. Several other Coyotes received Honorable Mention.

The Madera High football players have shown that they can move the ball against anyone. And with the many returning lettermen who have as much pride and determination as they do, the 1972 Coyotes will definitely be a team that will be heard from.

This year's sophomore football team was in a period of rebuilding and re-organization. With the majority of the team made up of freshmen, we gained a lot of valuable experience which should make a big difference next year. With every game we learned a great deal and by the last two games our rate of improvement was clearly visible. The team had a unique sense of loyalty and determination which are two qualities rarely seen on such a young football team. For the football season they were the pride of the freshman and sophomore classes.

Coach Powell Develops Young Talent

Madera (A)	0-56	Merced
Madera (B)	0- 6	Merced
Madera (A)	14-12	Sierra
Madera (B)	34- 0	Sierra

This season the freshmen took longer to get ready for our first game, since many athletes from this class won positions on the sophomore team. We opened against Merced, an exceptional frosh team, and we were beaten decisively. A lot of fellows learned why football is called the gladiator sport, but they learned from the hard play.

Our second game with another Merced team was back and forth with the defense doing a good job until three mistakes in the last quarter, and we lost 0-6.

Against Sierra these young men joined together in a real team effort. They came from behind 0-12. In the 2nd half to win 14-12. The offense started to roll.

Our last, a return match with Sierra, was a culmination of progress of this team. The defense played rough, solid football, while the offensive team moved the ball behind the best blocking of the season.

This group of young Coyotes should make a good mark next year as sophomore when they join up their effort with their classmates who played on the sophomore team.

Varsity Cross Country

This year the Cross Country Team had a very successful year. There were 8 major Championships won by Coach DeWitt's Team. The Frosh Team went undefeated in dual meets and were the League and Divisional Champions.

The Junior Varsity Team was 11-12 in dual meets. The Varsity Team was 11-12 in dual meets and won the North Yosemite League Championship for the fourth time in the past seven years.

This year's Varsity Team was led by All-League performers, Raul Aleman, Paul Carranza, and Lewis Raviscioni. The top Frosh-Soph performer was Art Villareal.

Smith and Jones Lead Varsity Team

1971-1972 was a year of building for the Coyotes as the team consisted mostly of underclassmen. As the season progressed the second squad kept improving. The future looks brighter and the Coyotes expect to be a very competitive team next year.

The highlight of the season came when Madera defeated Selma in the Sanger tournament. There were many ups and downs throughout the season.

The Coyotes were led by the scoring and rebounding of Captain Darrell Smith and the steady play of Ken Jones. Mike Say came on strong at mid-season, and contributed very much the rest of the way.

Hopefully, the youth movement in effect this year will mean many victories in the future for the Coyotes and their boosters.

Gary Adams

But . . . But . . . But . . . But . . . But . . . But . . . But coach.

Bottom row: Joe Perez (12), Rick Treatch (13), Don Floyd - Captain (25), Javiar Rodrigues (21), Greg McMurry (10).

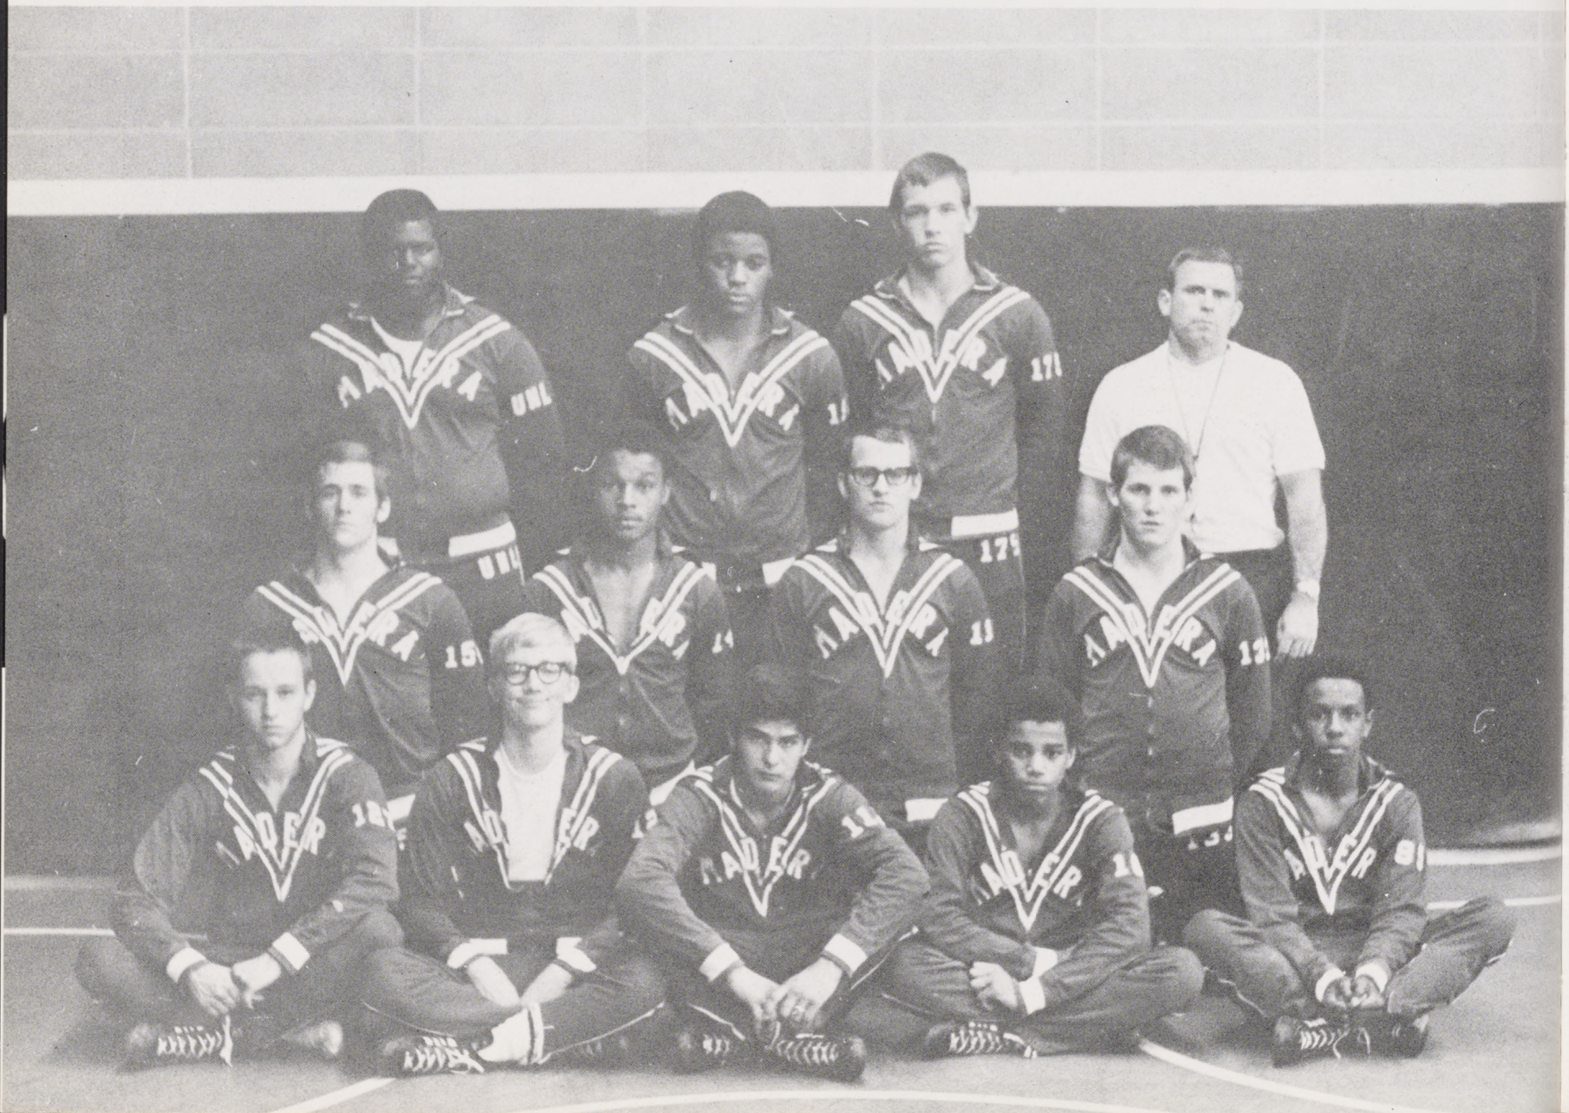

Varsity Wins Fifth League Championship In a Row.

Madera High's wrestling teams did very well this season. The varsity gained its fifth league championship in five years—an enviable record for coaches Kiddy and Varner. The junior varsity placed second behind Clovis, and the freshman team sparkled with an undefeated season that garnered for them the freshman NYL championship. The dual meet records for each team were as follows: Varsity 14-3; Junior Varsity 12-5; and Freshmen 6-0.

Individual varsity awards this year went to Mike Bodine—Most Outstanding Wrestler and team captain; Bob Bruer—Most Improved Varsity Wrestler; and to Gil Flores—Sportsmanship Award. J.V. honors went to Art Zamora—Captain; and to Al Lopez—Most Outstanding J.V. Wrestler. The lone freshman award went to Art Villareal as the Most Outstanding Freshman Wrestler.

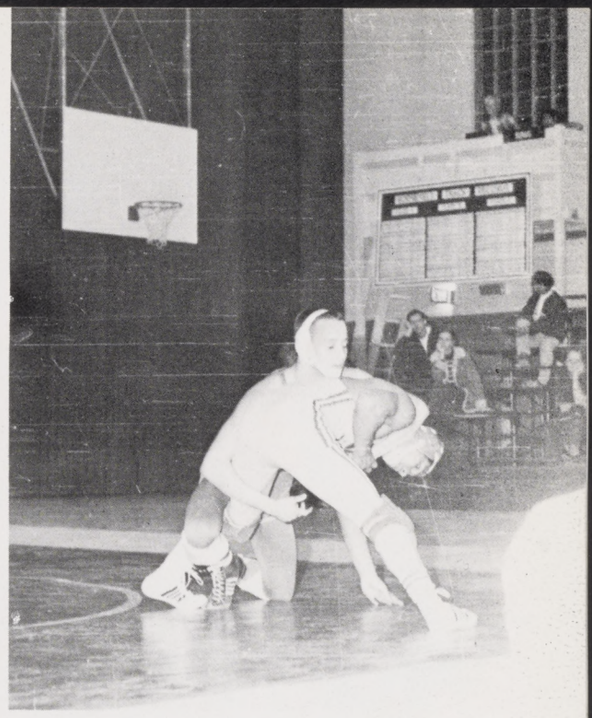

Congratulations to Al Kiddy, Rick Varner, and Tom Crow for outstanding efforts this year.

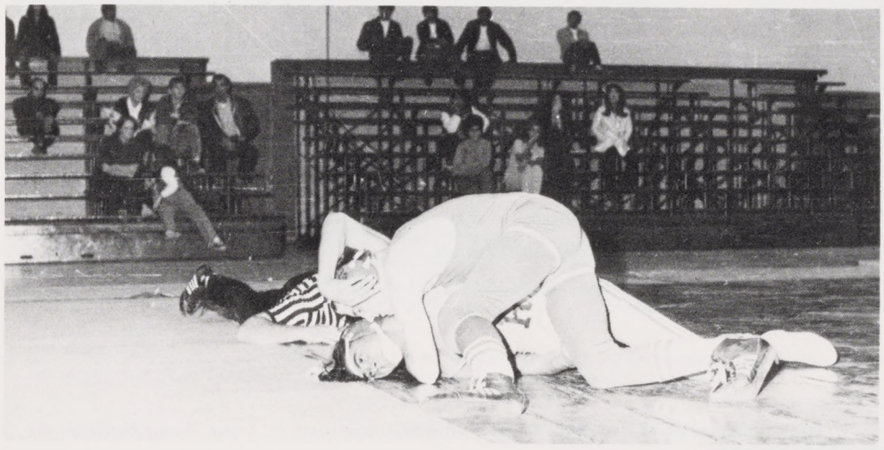

Back row (L to R): Mike Lyons, Rickey Ridge, Mike Bodine, Coach Al Kiddy. Middle row (L to R): Terry Rosson, Joe Randel, Bob Bruer, Lee Spots. Front row (L to R): Max Van Dyke, Andy Olson, Gilbert Flores, Fred Daniels, Ray Huffman

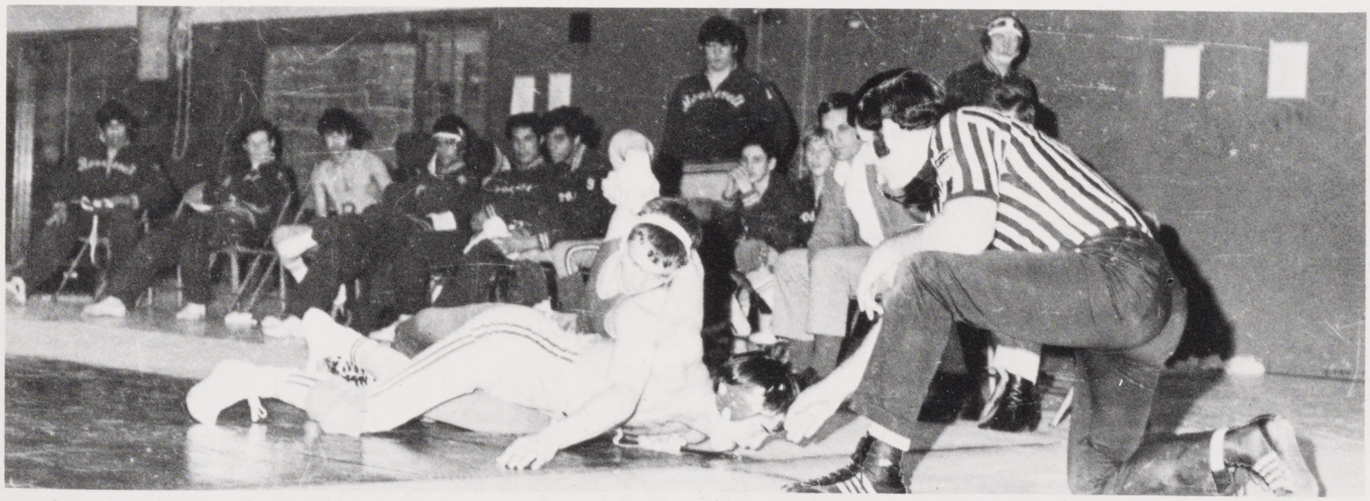

Championship Wrestling Team

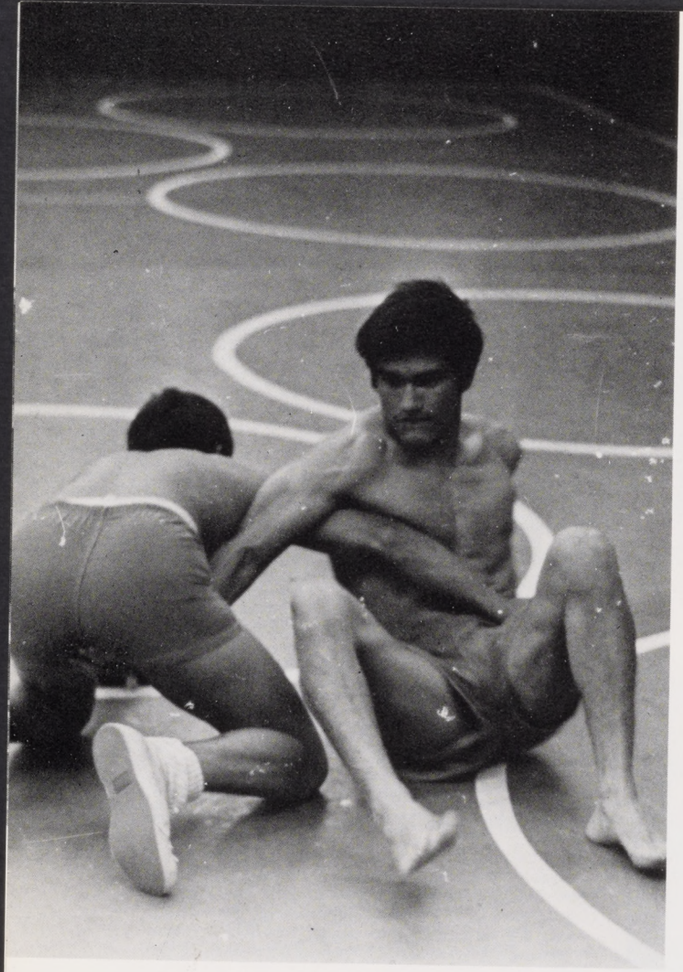

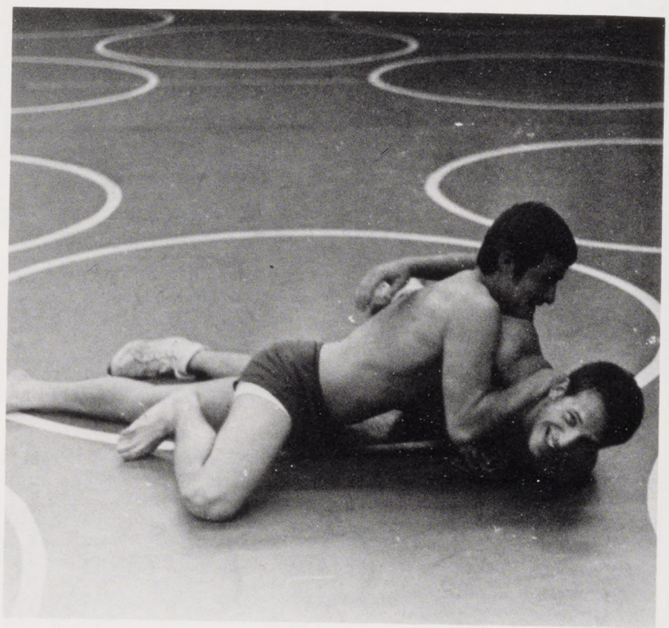

Above: Max Van Dyke tugging away for a win. Above left: Bob Bruer really knows how to hurt a guy. Left: Lee Spots pinning a Roosevelt player. Below: Bill Sanders looks like he got his man pinned. Far below: Gilbert Folres showing the other team just how mean he can get.

J.V. Wrestling

Freshman Wrestling

Front Row: Tony Garcia, Art Villarreal, Steve Schafer, Jack O'Meara, Andy Blackburn. Middle Row: Bob Mahler, Lee Freeman, Rick Da Silva, Rick Cosyns, Celzo Coronado. Back Row: Conrad Palacios, Carlos Gonzalas, Coach Tom Crow.

Little Andy Blackburn is really getting a workout from these two guys, don't you think?

Back Row: Gary Kinoshita, George Tamberi, John Rigby, Loren Freeman, Dave Boyle, Dave Holmes, Chris Cuttormsson, Brent Peart, Randy Freeman. Front: Randy Root, Mike Carter, Mark Root, Mike Carpenter, Don Farnesi.

Golf

As I leave the coaching ranks this year, I depart with a sense of accomplishment. The match scores do not tell the whole tale. This year I saw a group of boys develop their golfing skills—skills that more or less make winning or losing as superfluous as yesterday's newspaper. To the keepers of statistics-I suspect in a year's time the N.Y.L. will have no finer golfers than George Tamberi, Mark and Randy Root, and Don Farnesi.

Ken Montgomery

Loren Freeman keeping his eye on the ball.

Chris Cuttormsson showing George how its done.

Will George Tamberi hit a perfect shot down the fairway?

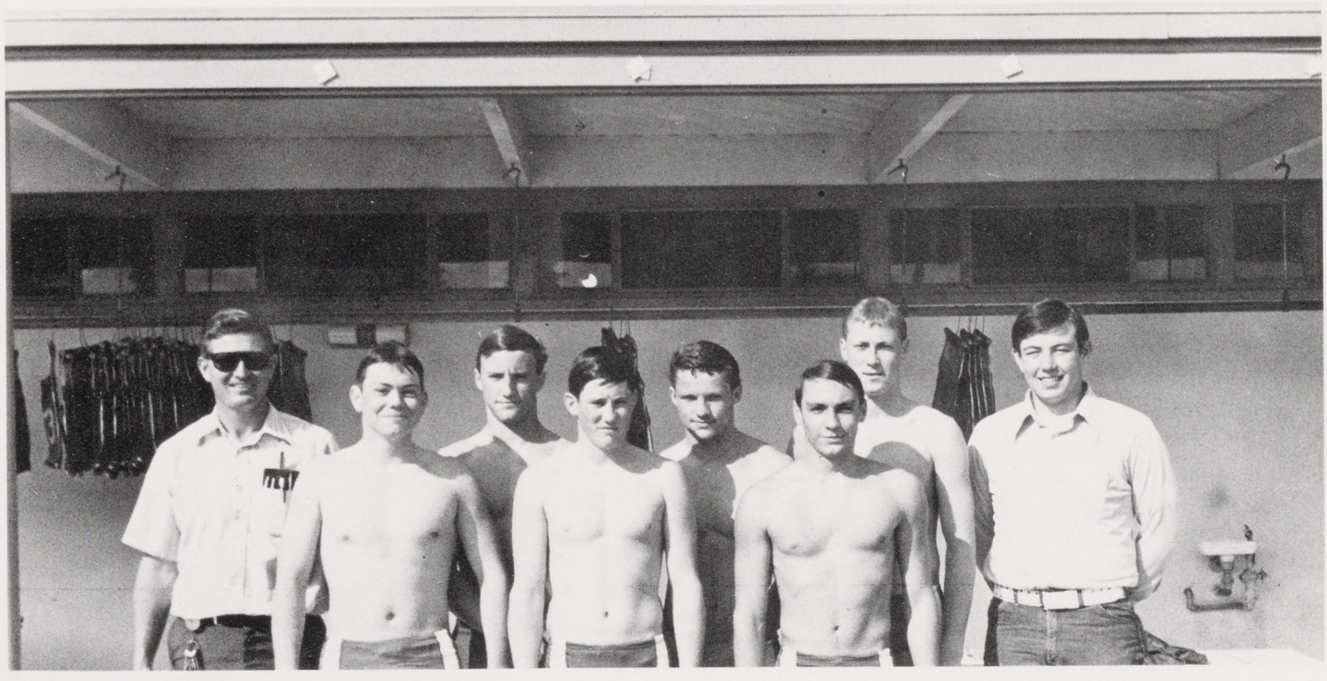

Front; Cindy Wheeler, Coral Schlitzkus, Susan Guglielamana, Sally Konkal. Back: Cathy Stapelton (Manager), Linda Willford, Debbie Davis, Patty Winder, Suzanne Howard, Jody Saoazar, Donna Creamer (Manager).

Swimming

The 1972 Varsity team is small in number (6) but is expected to finish as well in league competition as last year's team which was third in N.Y.L. and fourth in the Valley. The Varsity record to date is 5 wins 1 loss and they are expected to equal last year's 9-2 record. Art Ruble is a very strong candidate for All-American honors since he barely won as a Junior. Steve Willford is the current school record holder in the back stroke. Sophomores Doug Willford, Joe Davis and Brad Ruble, although B's, are competing quite well at the Varsity level. Junior Harrell Gabrielson is in his second year of swimming and has shown considerable improvement in his freestyle swimming.

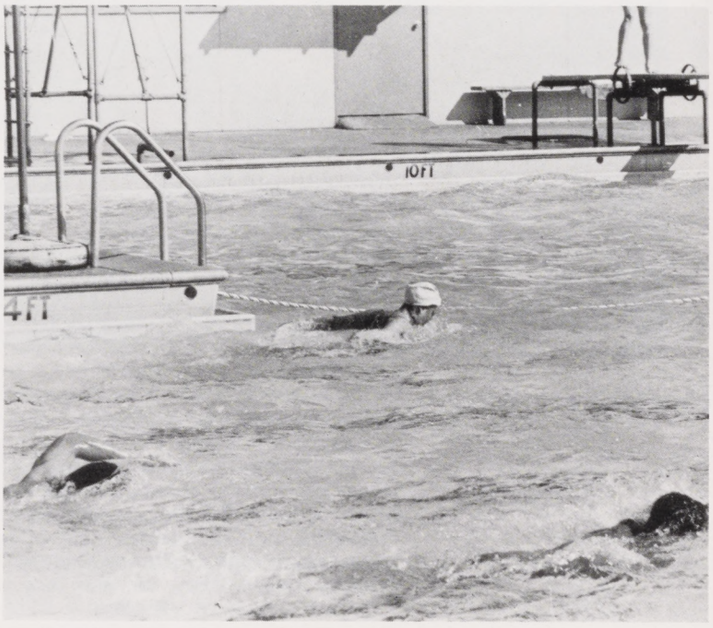

Front: Harrell Gabrielson, Brad Ruble, Joe Davis. Back: Coach Arlie Ruble, Doug Willford, Steve Willford, Art Ruble, Tom Whitaker (manager).

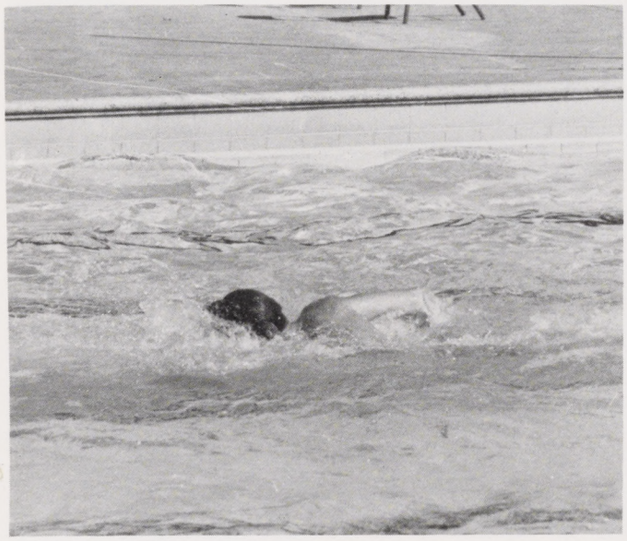

Swimming

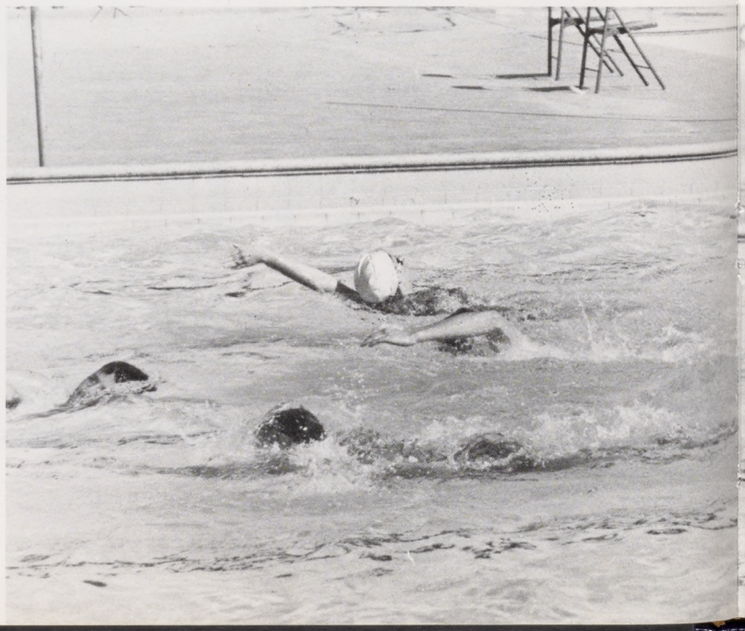

The 1972 girls' team is the best in school history. All school records but two are held by members of the team. There is only one Senior on the team, so the future is bright for girls swimming. The team's record to date is 4 wins-1 loss. Juniors Patty Winder and Linda Willford are the premiere swimmers. They are backed by four fine sophs, Susan Gugliamana, Suzanne Howard, Debbie Davis, and Coral Schlitzhus. Senior Sally Konkol competing in her second year has shown considerable improvement and has been an asset to the teams. Frosh Cindy Wheeler and Jody Salazar are rapidly improving. Cindy is a fine young swimmer, but a little overshadowed by our four sophs and two juniors, and we expect that she will be among our finest swimmers in the future.

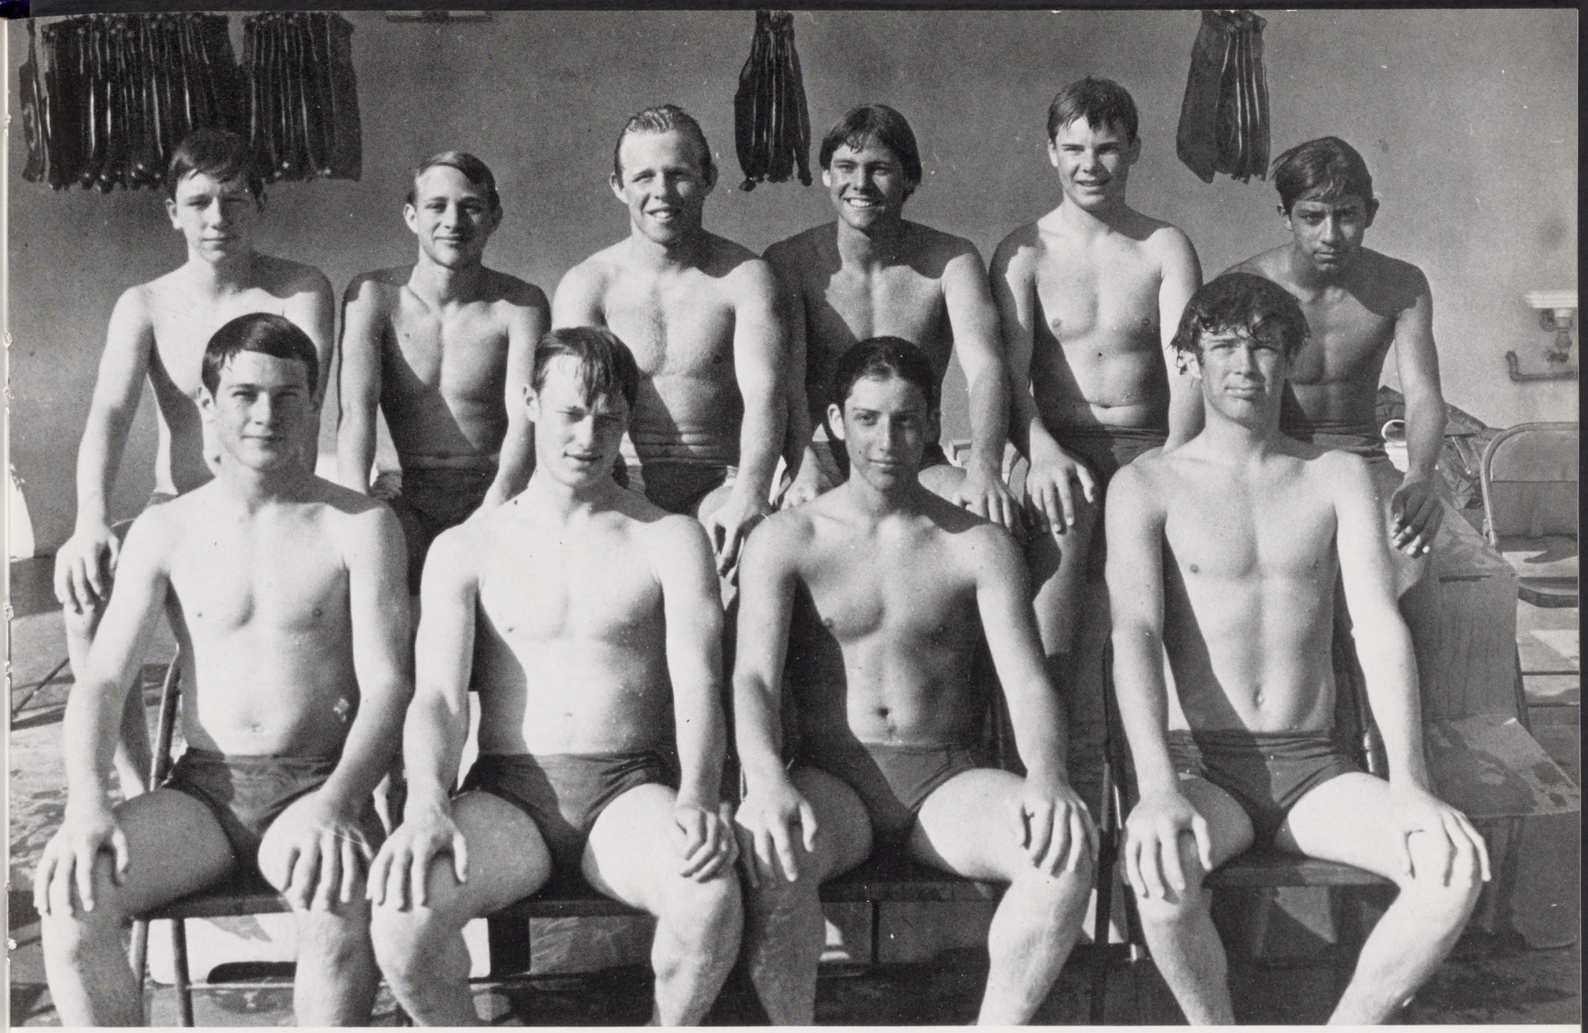

Above: Sally Konkol showing the boys they're not so great! Left above: Ah, Coach, do we have to? Below left: Brad Ruble ahead by 12 lenghts!!! Below: Sally has a pretty good back stroke too!

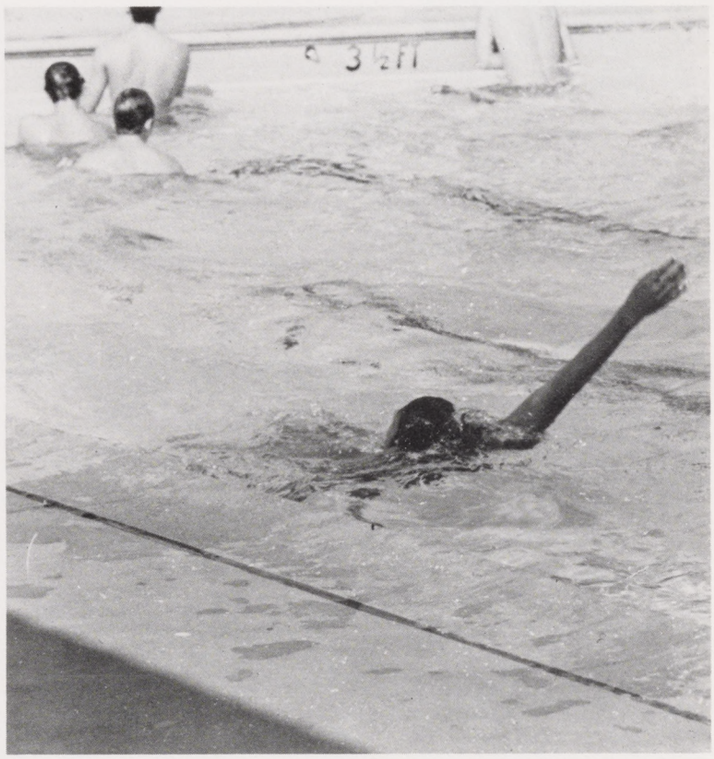

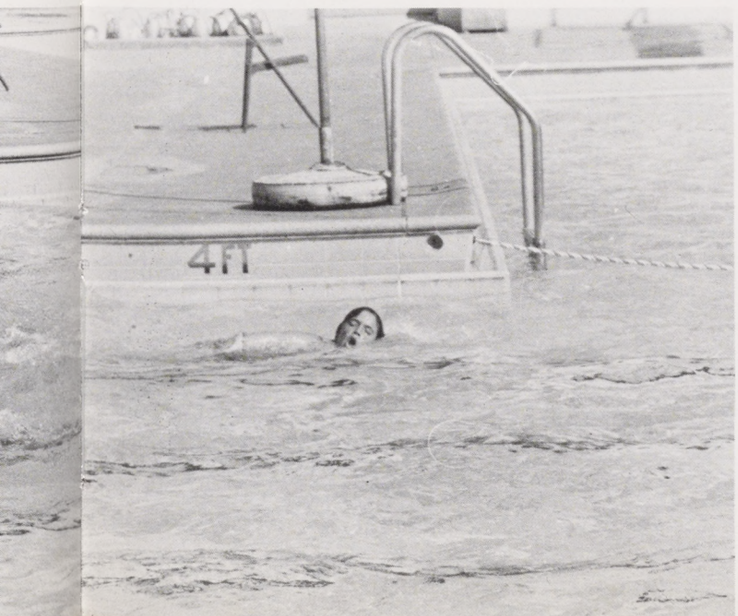

Front: Bill Howard, Jeff Howard, Richard Brown, Don Floyd, Back: Steve J. Allen, Dixon Townsend, Le Roy Marklund, Steve R. Allan, Paul Pederson, Ruben Rodriquez.

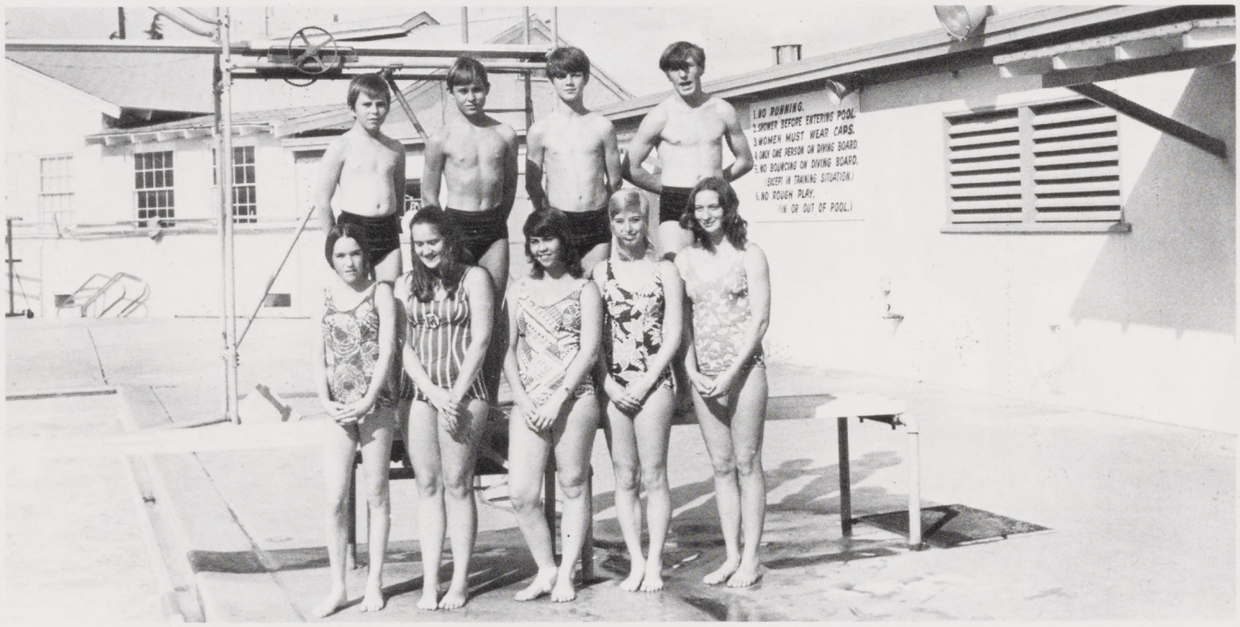

"B" Swimming

The 1972 B's lack experience but are improving rapidly. Their record to date is 5 wins and 1 loss. They are undefeated in league competition. There are several young men on this team who will be of help to the varsity next year.

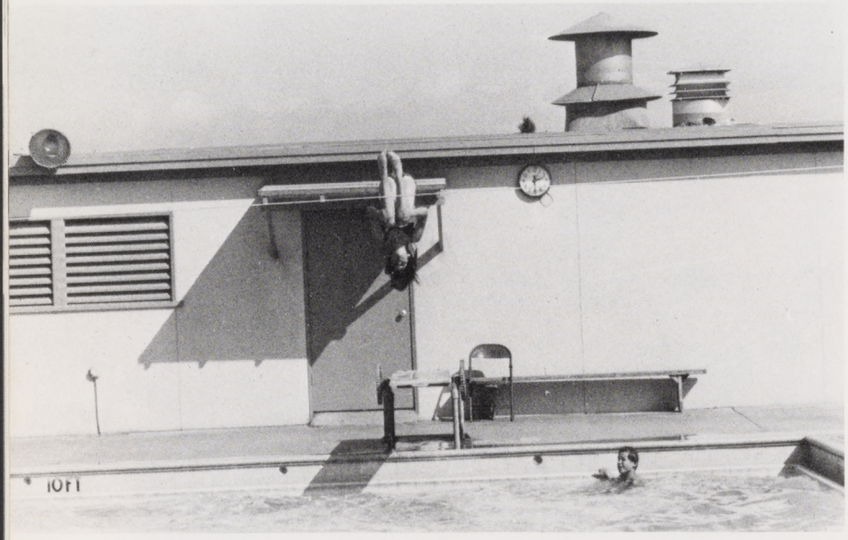

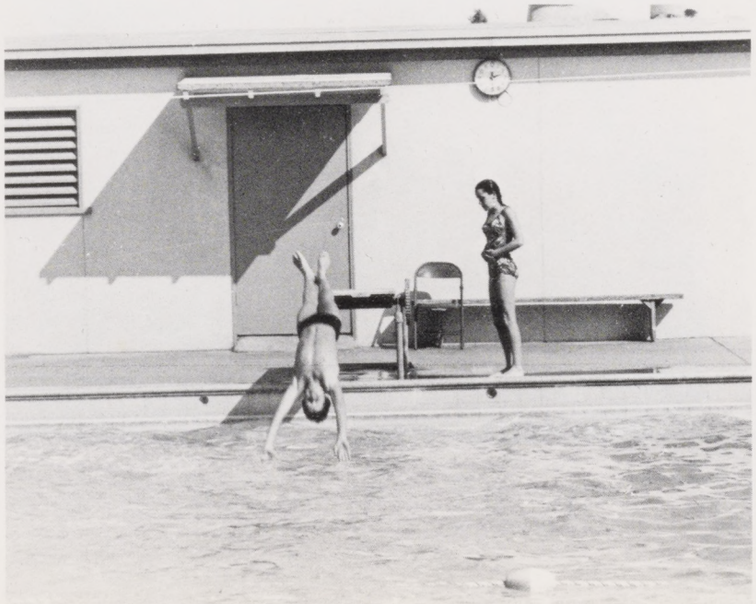

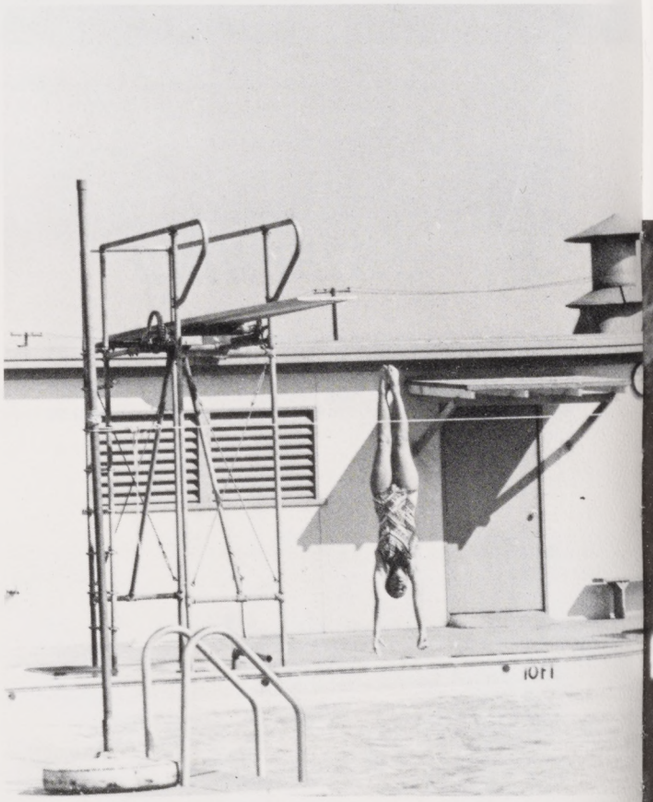

Diving

Front: Stephanie Hill, Ann Bell, Michele McGinnis, Karen Pavey, Jan Smith. Back: Andy Blackburn, Rick Treatch, Marc Palacios, Gary Poulin.

Seniors, now that your high school career has come to an end, it is my hope that you can look back on your past four years with a feeling of accomplishment and success.

Your reflections will include fond memories of happy times, close and permanent friendships, outstanding teachers, meaningful projects, and the development of confidence, pride, responsibility, and self discipline.

Your education must not stop here, regardless of whether or not you move on to a higher lever of formal schooling. You must continue to challenge your mind and to relentlessly seek knowledge.

From this knowledge you will develop insight into the vast problems that will face you, and from this insight will come solutions to those problems.

Your education must never cease. In fact, it now has only a good beginning.

It has been great to have you at Madera High School and I want to wish each of you success and happiness in the years ahead.

Annual Staff

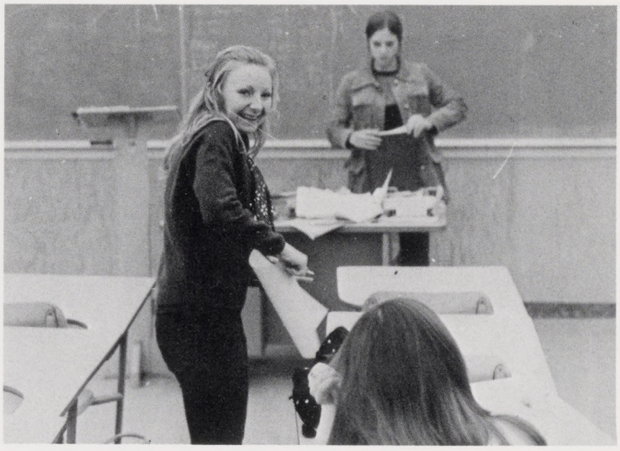

Above: Late! Who me?

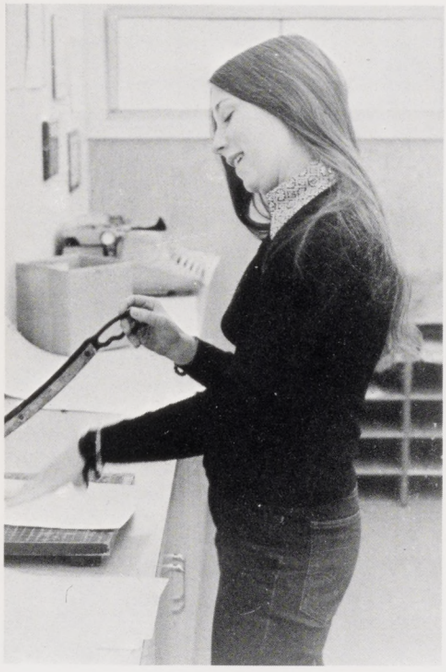

Above: 101, 102, 103 . . .

Opposite page: 1972 BLUE & WHITE Staff

Above: Debbie makes a break for it.

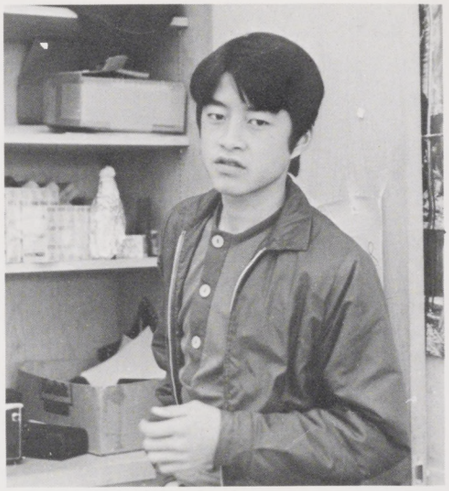

Above: Chopsticks on the papercutter

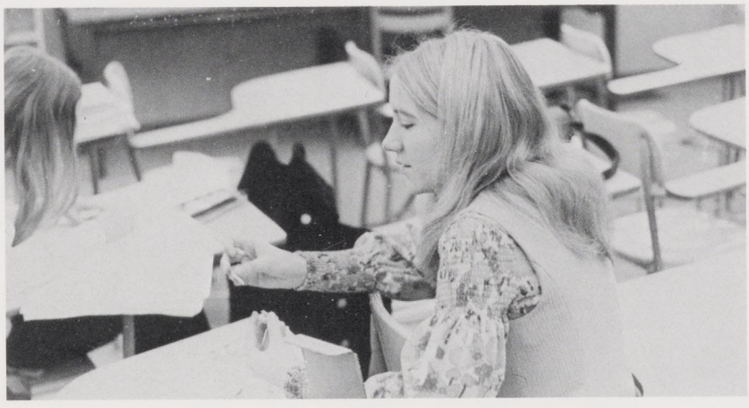

Above: That's not the way I heard it, wench.

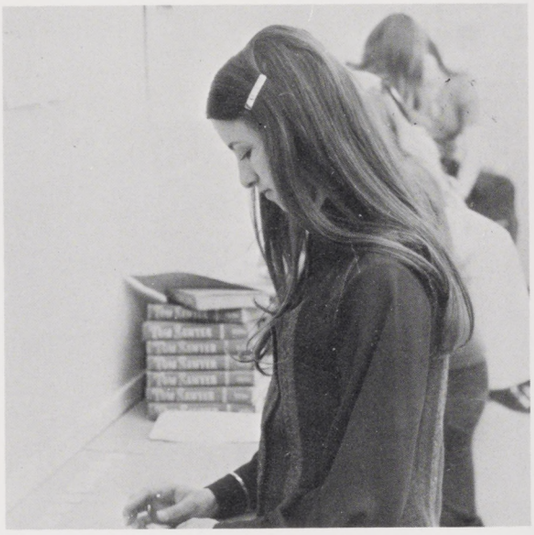

Above: Mmmmmmmm good

Above: Busted!

Above: Where should I put this one?

Above: It's got to be in here somewhere

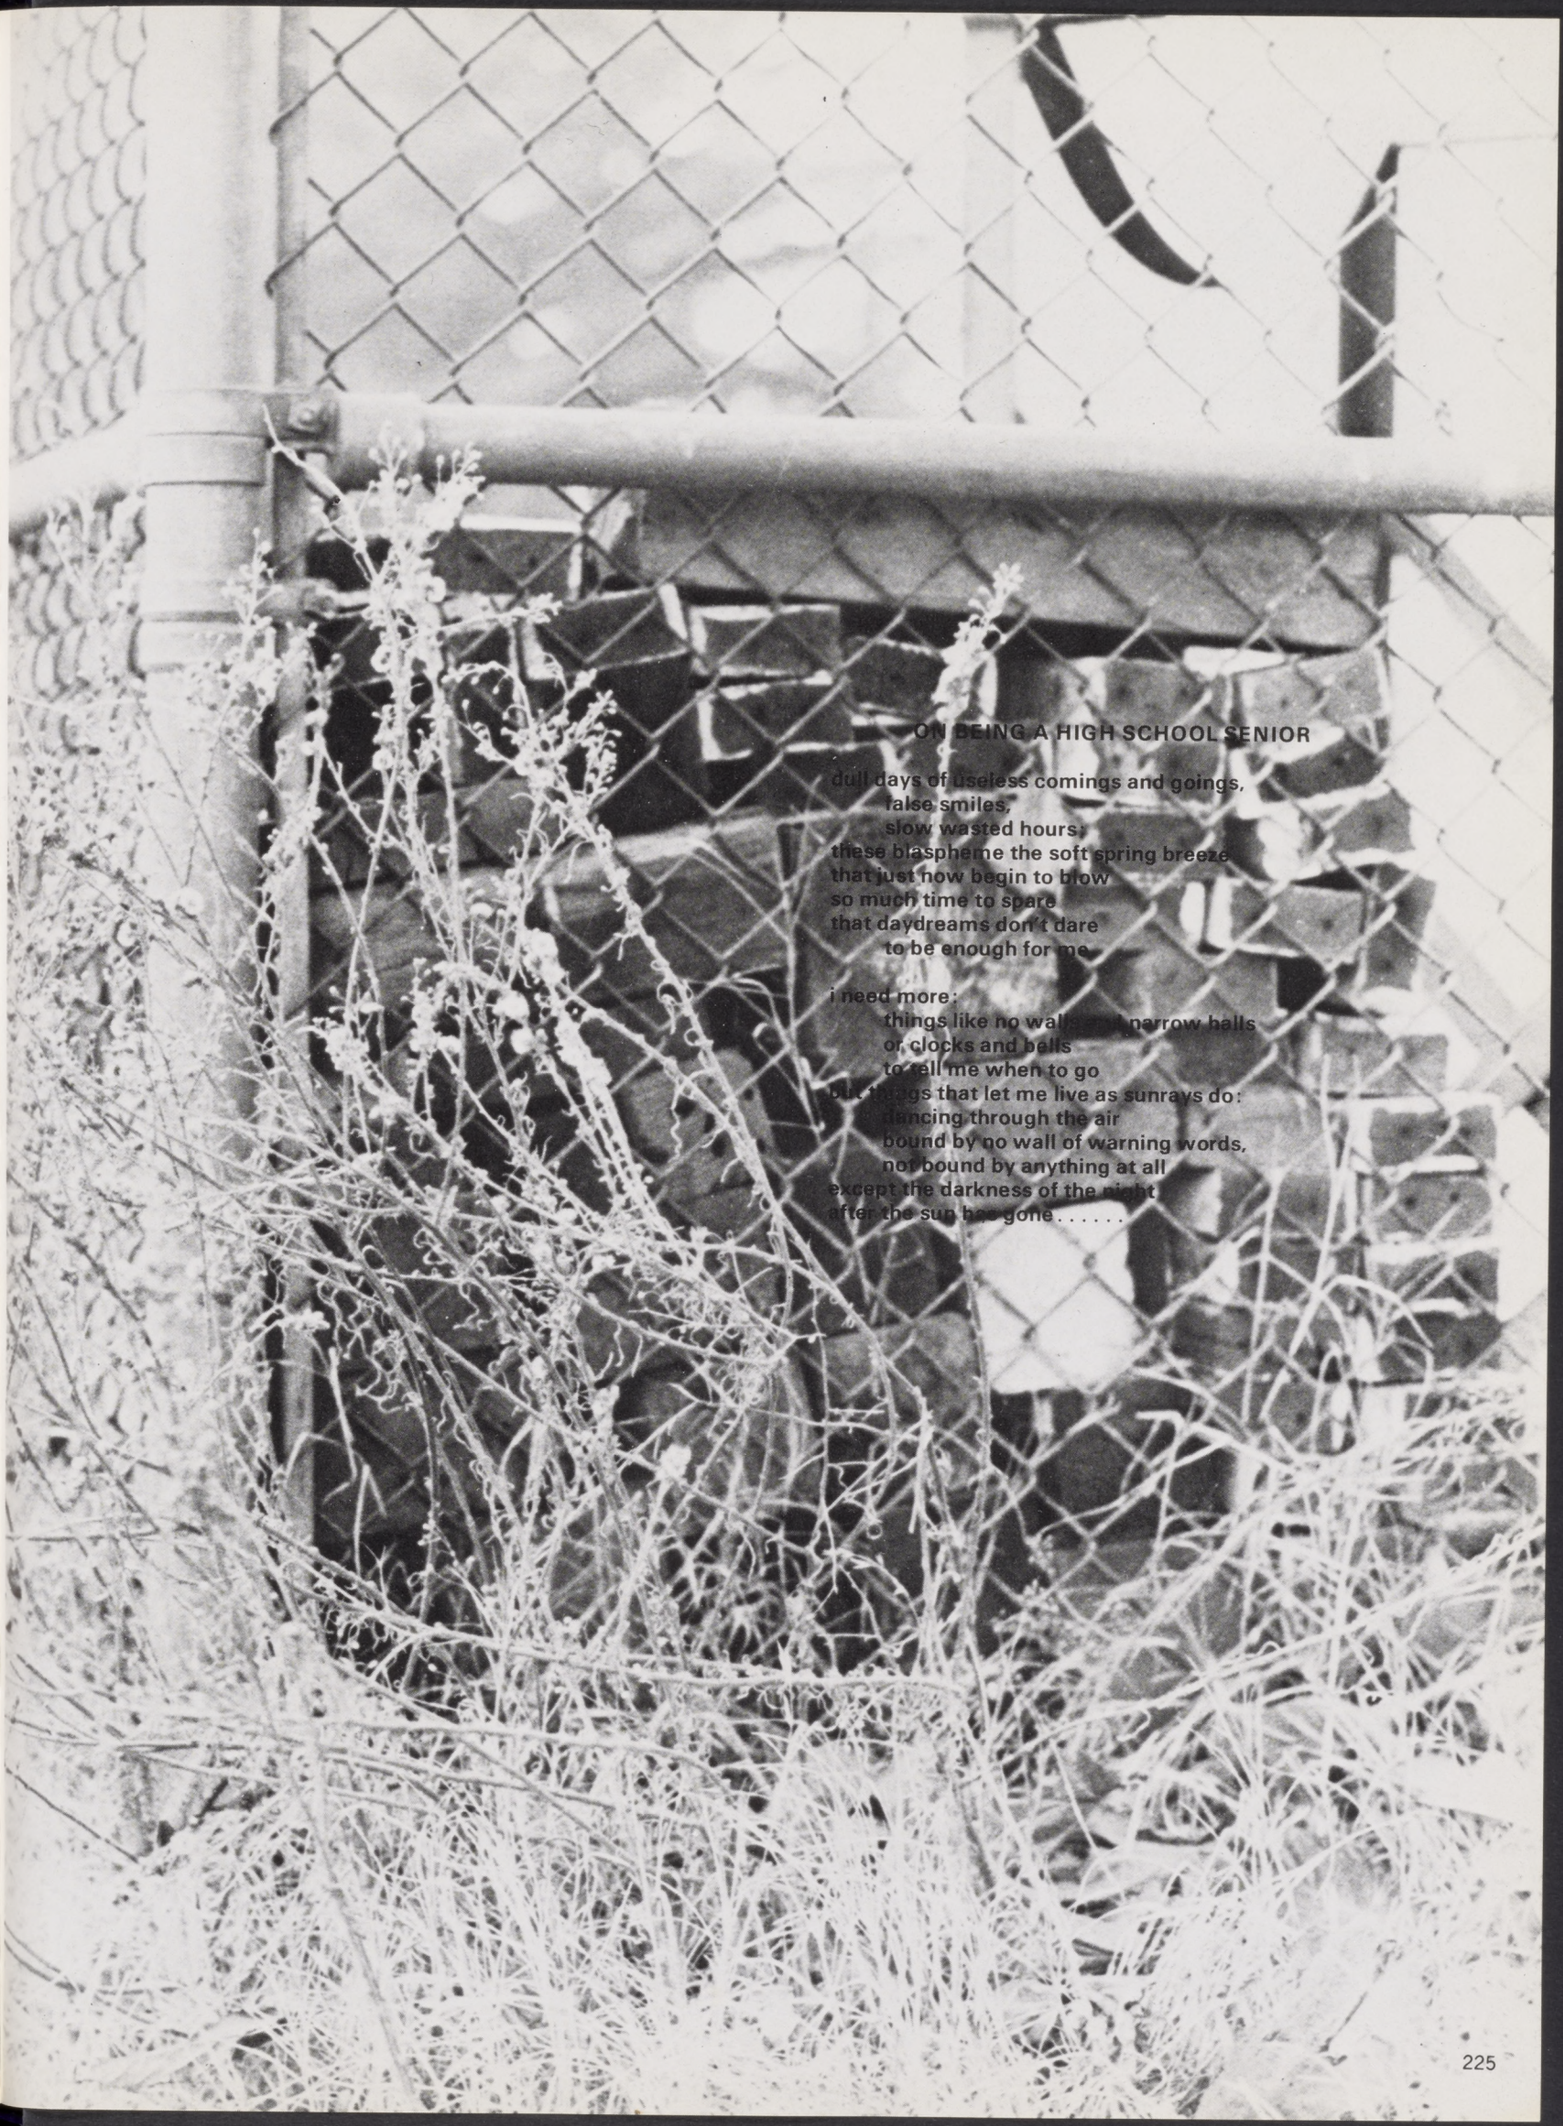

In early June we all sit back and anticipate two major events: the ending of the long school year and the distribution of the BLUE & WHITE. As students browse through the newly arrived books, they see a myriad of photographs that will indelibly recall the 1971-1972 school year in future years; but for the ten members of this year's annual staff, they will view the finished product as many hours of sketching layouts, editing copy, eliminating ten photographs for each one they select, selling advertising to help pay the $10,000 yearbook company bill, and staying up till 12:30 a.m. on Fridays before the deadlines to make sure the yearbook arrives before school lets out for summer vacation.

Each year I tell my annual staff that theirs will be the finest annual ever produced at Madera High, and, so far, so far . . . At any rate, ALL the credit must go to the staff: to Lori Niino and Mary Schwarz for an outstanding job on the senior and Kolor Power sections; to Debbie Carpenter, Dave Niino, and Jerry Marsh for their long hours on the sports section; to Karen Stapleton, Pete Townsend, and Victor Nash for selling the most advertising in Madera High history; to Karen Radley who made sure all clubs received at least one full page this year; to the three "W's", Jerrianne Carey, Carol McClure, and Terri Taylor who edited the underclassmen sections and who will never eat alphabet soup again; and to Paul Yates and Dave Niino for some imaginative photography and a lot of patience.

Ken Montgomery
Annual Advisor

Above: Mr. Ken Montgomery—Advisor??

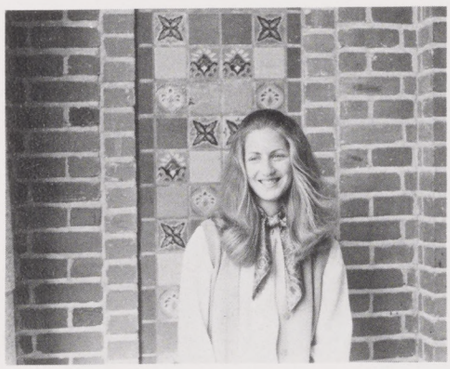

ON BEING A HIGH SCHOOL SENIOR

dull days of useless comings and goings,
false smiles,
slow wasted hours:
these blaspheme the soft spring breeze
that just now begin to blow
so much time to spare
that daydreams don't dare
to be enough for me.

i need more:
things like no wall[illegible] narrow halls
or clocks and bells
to tell me when to go
but things that let me live as sunrays do:
dancing through the air
bound by no wall of warning words,
not bound by anything at all
except the darkness of the night
after the sun has gone. . . . . .

Top Nine Seniors

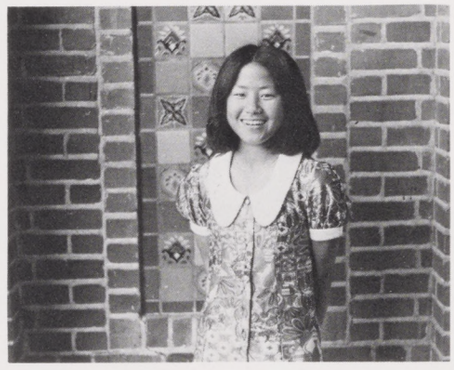

Anita Meister

CSF 1,2,3,4 and Life Member; CSF Secretary 2, Scribe 3, President 4; Student Body President 4 and Commissioner of Awards 2; Pepgirl 4; Girls' League 1,2,3,4 and Social Chairman 4; Soph Biology Club Secretary; Future Scientists of America 1,2; Horizon 1,2,3,4; Earth Science Achievement Award and Algebra Achievement Award 1; Geometry Achievement Award (SMSG) 2; Intermediate Math Achievement Award (SMSG) 3; DAR Good Citizen; Elk's Club Scholarship Award; Bank of America Math-Science Field Winner; Soroptimist Girl of the Month; Soph Class President and Student Council Member.
